## ALMA MATER

Honor to the Black and Orange!

Sing the glad refrain,

Loyal to our Alma Mater,

Ever we'll remain.

Alma Mater! Alma Mater!

All our vows renew.

Hail to thee, Northampton High School

We will all be true.

# *The 1956 Amptennian*

Will you come cloud-hopping with us  
as we pursue that ever illusive fantasm—  
Education.

Within the covers of our book you will  
find the day dreamers and the star per-  
formers measuring their stride along the  
stardust trail. So, with hopes high, we  
seek our goals for "We are such stuff as  
dreams are made on."

## Ruth Gackenbach

1905-1955

Humbly do we pause to pay tribute to our friend and teacher who for thirty years devoted herself to education in Northampton. We are grateful for the fine teaching, the kindness, the understanding help she gave so willingly. Our lives are richer for having touched upon hers, and the happy memories we now cherish should help us to make our world a better place in which to live.

## Alvin O. Shiffer

1881-1955

Pausing momentarily, we would like to honor a man whose goal in life was to teach others the "right" way of living. His teachings have lingered in the hearts and minds of those who knew and respected him. His friendly attitude, enthusiasm, and his "helping hand" will always be remembered by those he taught during his 53 years of service. May his example serve as a foundation upon which we may build our dreams.

## Administration and Faculty

Here at a typical monthly meeting of the PTA, our teachers and administrators discuss the schools of our town and how they are prepared to serve our community.

## Men of Foresight - Capable and Efficient

Our School Board takes time out from building plans to give us a picture.

Standing: Dr. George A. Eichler, Superintendent; Joseph George, Raymond A. Newhard, Russell S. Becker, 2nd Vice-President; Stanley Easterday, George C. Newhard, Jerome W. Burkepille, Jr., Solicitor.

Seated: Howard G. Raubenhold, 1st Vice-President; Robert L. Jones, Secretary; Robert D. Schaffer, President; Eugene R. Milham, Treasurer; John S. Dreisbach, Kenneth Haidle.

School board president, Mr. Robert Schaffer, presents certificates of appreciation to Mr. Paul Bachman and Mr. Claude Troxell, retiring school directors.

The Board of Education, the nucleus about which the entire school system revolves, establishes good relationships between the school and the community. With them the main objective is always to advance the interests of education and to improve our schools so that they may better serve our citizens.

This competent group of men has started us on the starlit path to realizing a dream. At present they are working diligently on plans for our new high school.

The proposed building, which will be located on Laubach Avenue between Sixteenth and Seventeenth Streets, will be built in the shape of a four-pointed star, and will accommodate a student population of one thousand. It will consist of fourteen classrooms, a gymnasium, an auditorium, administrative offices, and facilities for arts and crafts.

# Develop the Policies That Govern Our Education

The gymnasium, which will occupy the wing nearest Laubach Avenue, will have approximate seating space for twelve hundred people and will provide separate facilities for shower and locker rooms.

The classroom wing will be directly behind the gymnasium. This is to be the only two-story section of the building. Accommodations for eight or nine buses will be provided by a semi-circular ramp adjoining the wing.

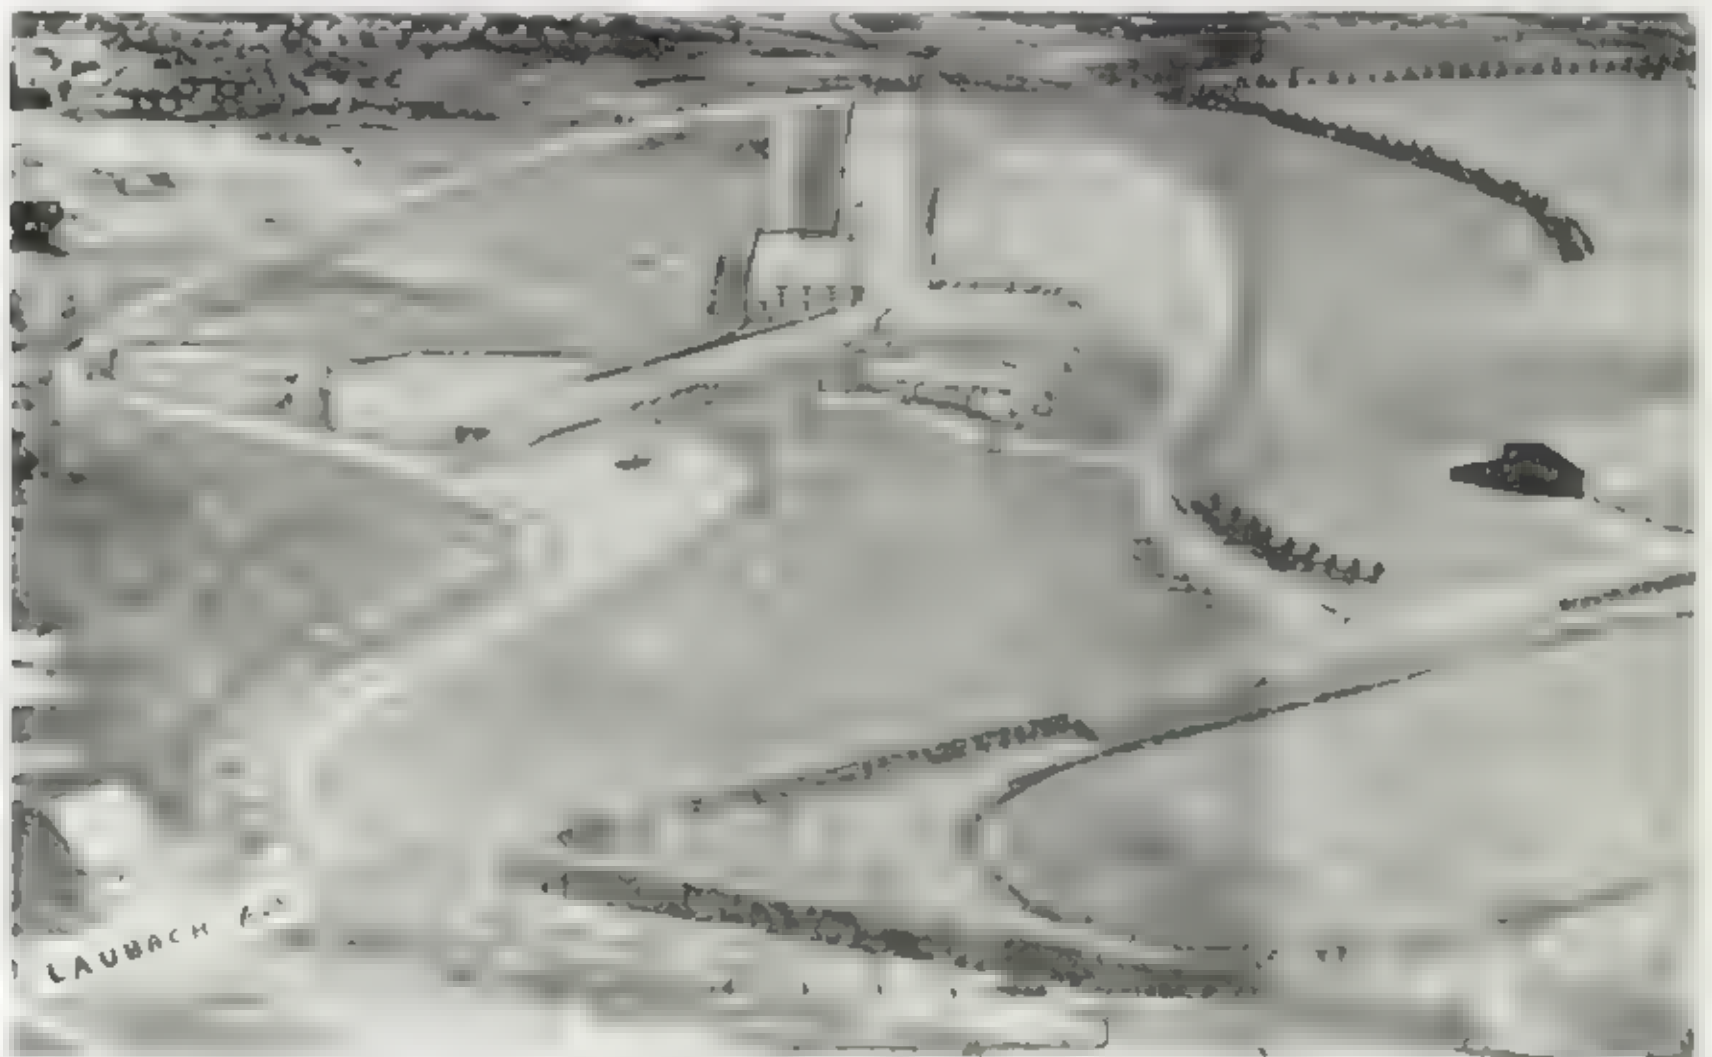

Along with the administrative offices, the cafeteria, health suite, library, and homemaking department will also be located in this wing.

The auditorium, which will seat approximately seven hundred and seventy-five, and the arts and crafts rooms will form the other wings of the building.

We are "up in the clouds" over the plans and we know that all students attending this new school will derive much from the educational benefits it will provide.

Mr. L. J. Brucher on behalf of the Universal Atlas Cement Company presents the deed to a twenty acre tract of land to Mr. Robert Schaffer. This will be the site of our new senior high school.

## A Vote of Thanks to an Inspiring Teacher

Miss Boyer takes her little charges to "Never Never Land" during Story Book Hour.

To hundreds of Northampton citizens Miss Bessie Boyer will always be the smiling, understanding, gracious first grade teacher who started them on the road to learning. Whether the trouble was with the alphabet or a loose tooth, Miss Boyer was always sympathetic and willing to help.

It was forty-six years ago that an ambitious young girl graduated from Slatington High School and enrolled at East Stroudsburg State Normal School to enter the proud profession of teaching. Miss Boyer has constantly kept her interest in education alive by continuing her studies at Columbia University, New York University, and Pennsylvania State University.

After teaching in the Slatington schools for eleven years, Miss Boyer joined the staff of Northampton's Washington School in 1923 where she became one of its most devoted instructors.

Students, fellow teachers, and friends now join hands in wishing Miss Boyer many happy years in her retirement — and may all her dreams of traveling come true.

## Our Faculty Believes, too, In Good Fellowship

The Flamingo Room was warm with the good spirits of our faculty at the Annual Christmas Tea.

New staff members were feted and photographed. In the picture at the left we see (center) Mr. Harry Wall, P.S.E.A. president welcoming Mr. Ralph Hunsicker Mr. Gerald Newhard, Mrs. Mary Harned, Mrs. Constance Jones and Miss Stella Wanko

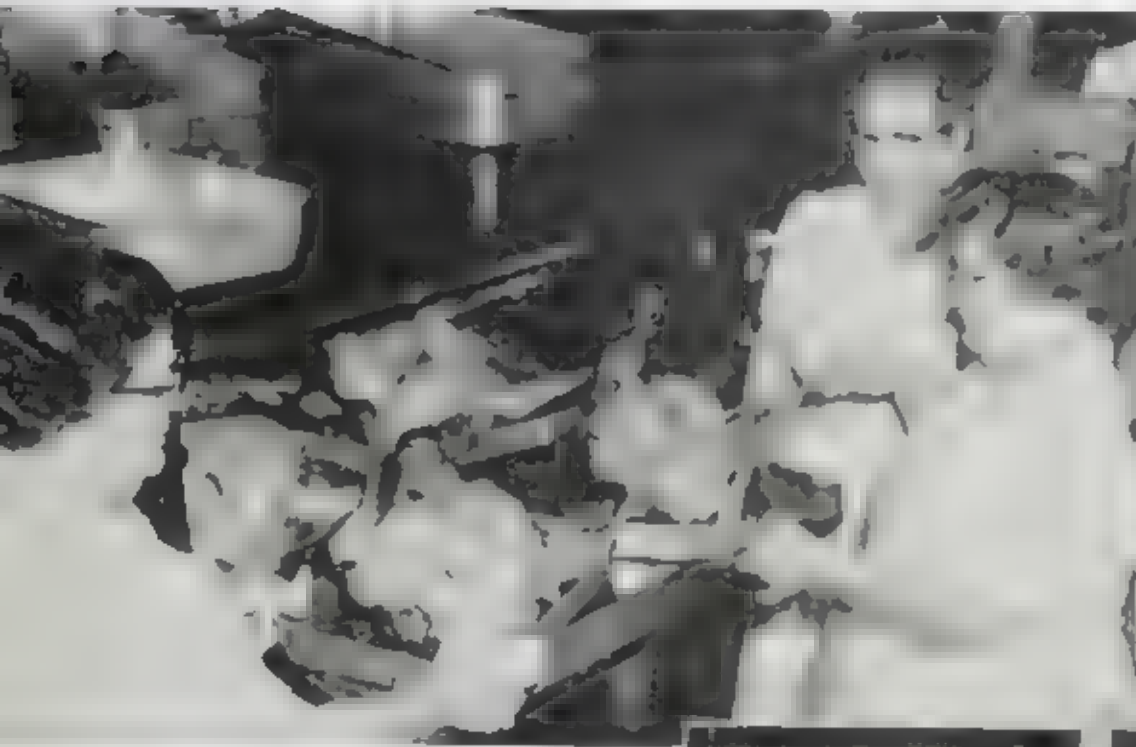

A fine Christmas message was presented by Reverend E. W. Mitchell. And to add to the good fellowship there were songs and a visit from St. Nick (alias Tony Messenlehner!)

The festive board was a thing of beauty — and the work of a fine social committee — Mrs. Beatrice Santee, Mr. Harry Reiff, Mrs. Dorothy Musselman, Miss Mabe Newhard, Miss Ruth Farber, and Miss Edith Odenwelder.

Music by  
Sylvia Santee

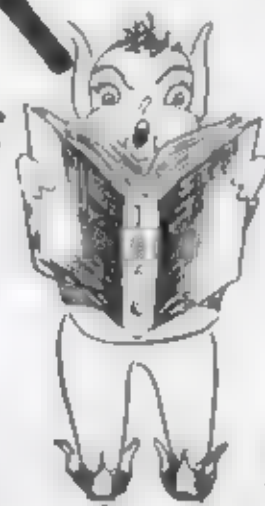

From our dear Al-ma Ma-ter time says we must de-part; But

ne-ver will we once for-get the mem'-ries in our hearts of

days with-in your bless-ed halls, with class-mates fond and true. All

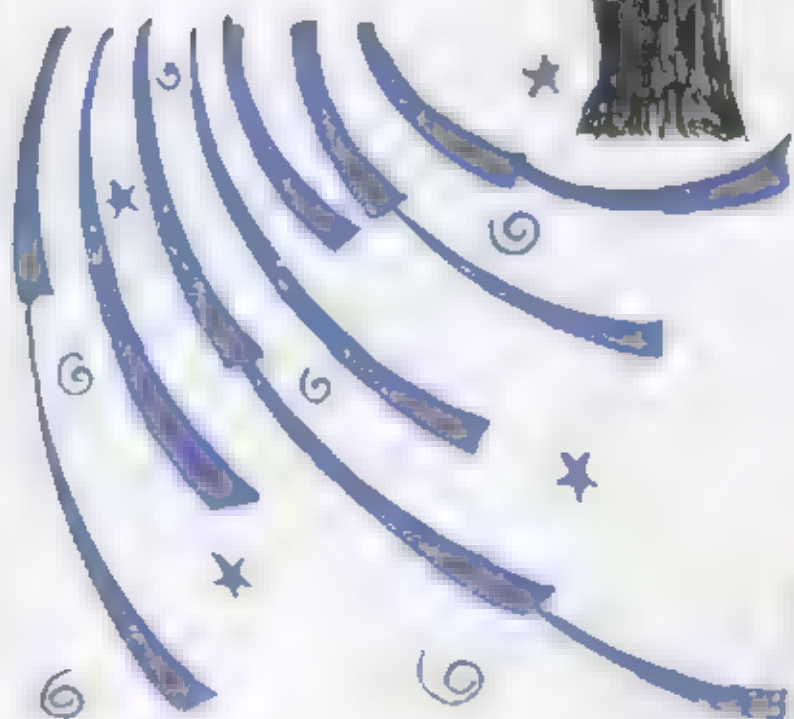

this and more we che-rish, North  amp-ton High of you.

With school days all behind us, our futures now un-fold,  
And as we take our place in life, we all render thanks to you -  
To our be-loved Alma Mater teachers, counselors too -  
To our Northampton High School we all will long be true.

We celebrate S-D Day. In observance of Safe Driving Day our students and faculty "tagged" all autos with Safe Driving reminders. Here Carol Rockovits hands a card to Mr. Harold Dotter, Northampton resident, while Mr. Robert Crawford, our driver education instructor, looks on.

## These Are The Times When Work Is Play

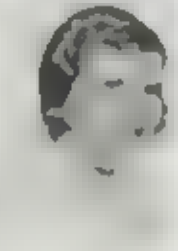

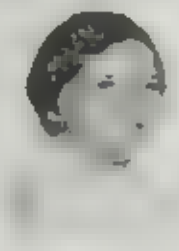

These pictures serve to illustrate work accomplished by the 8th grade English classes. The literature units, "Mystery and Adventure" and "Family and Friends", motivated the children to work in groups and to prepare original projects illustrating the main ideas of the stories most enjoyed. The projects included book covers, stage settings, poems, drawings, notebooks, and summaries.

# Capers In The Clouds

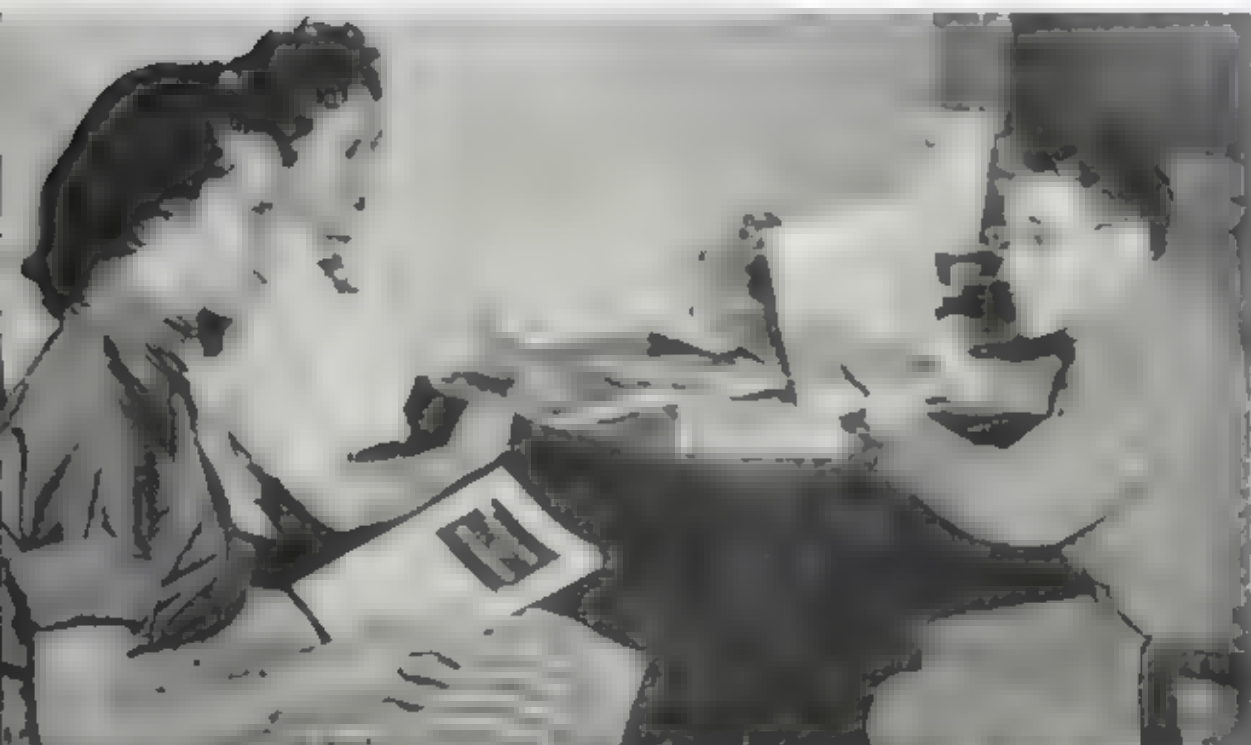

## Curriculum And Clubs

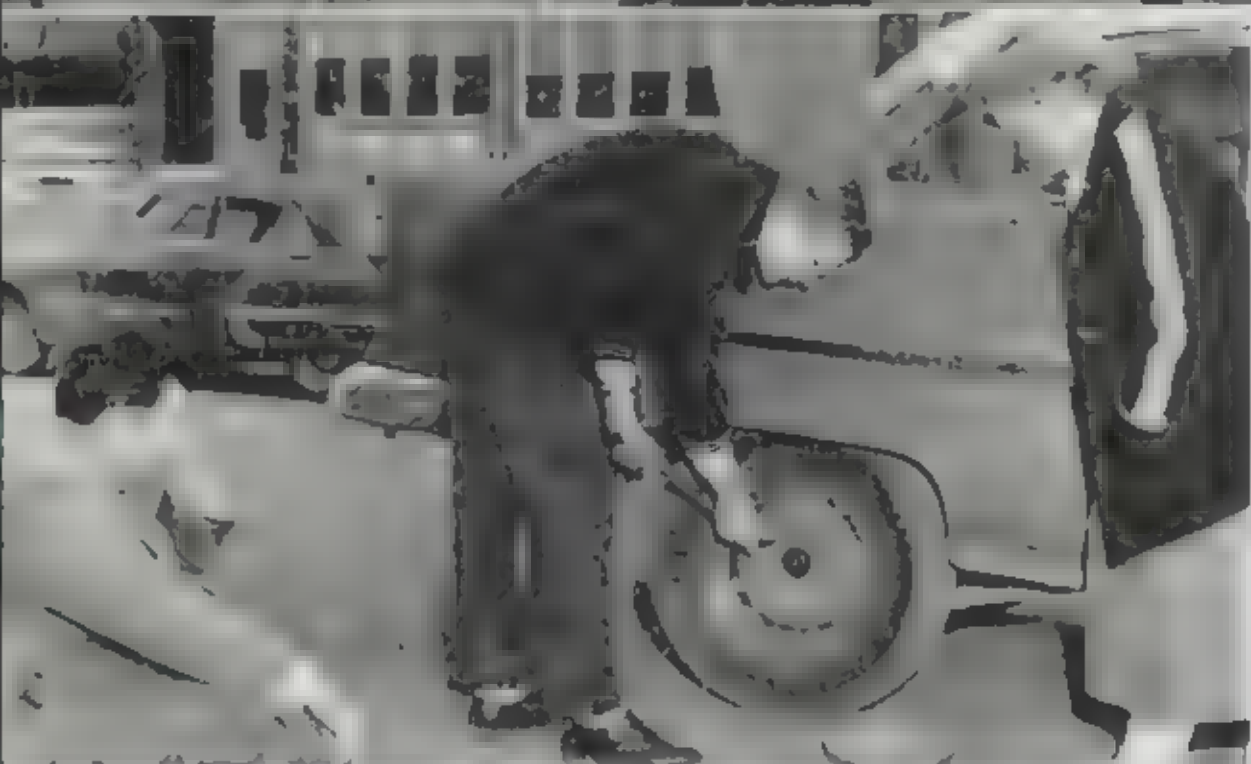

The midnight oil burns often for students of N.A.J.H.S. Here we peek in on Steve Kotch as he struggles with Chemistry equations — and visions of "A's" dance in his head.

# In Our Curriculum There Is Something For Everyone

Whether the student is a person  
of the future, a person of the past,  
or a person of the present, the  
curriculum is designed to help  
the student find the right path.

For the student who is  
interested in the physical sciences,  
the curriculum provides a  
wide range of opportunities  
to learn with that interest in  
mind, the first step.

For the student who is  
interested in the social sciences,  
the curriculum provides a  
wide range of opportunities  
to learn with that interest in  
mind, the first step. Here we  
find the wisdom that may help  
to open our door to destiny.

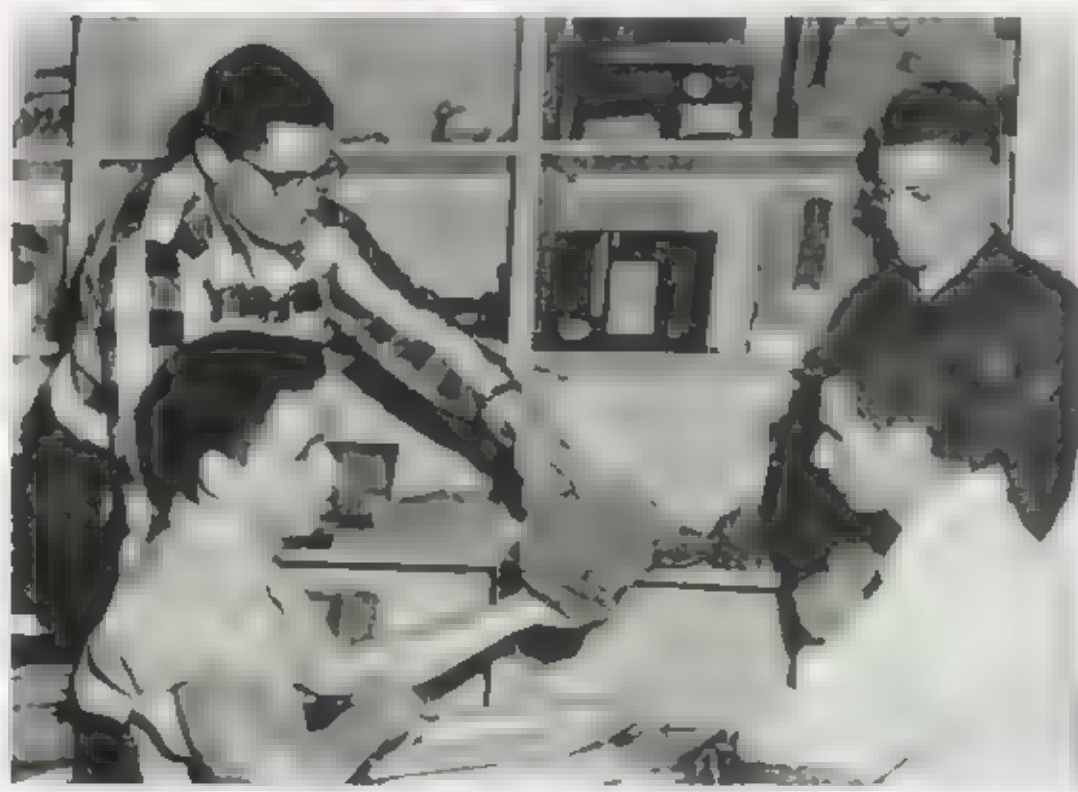

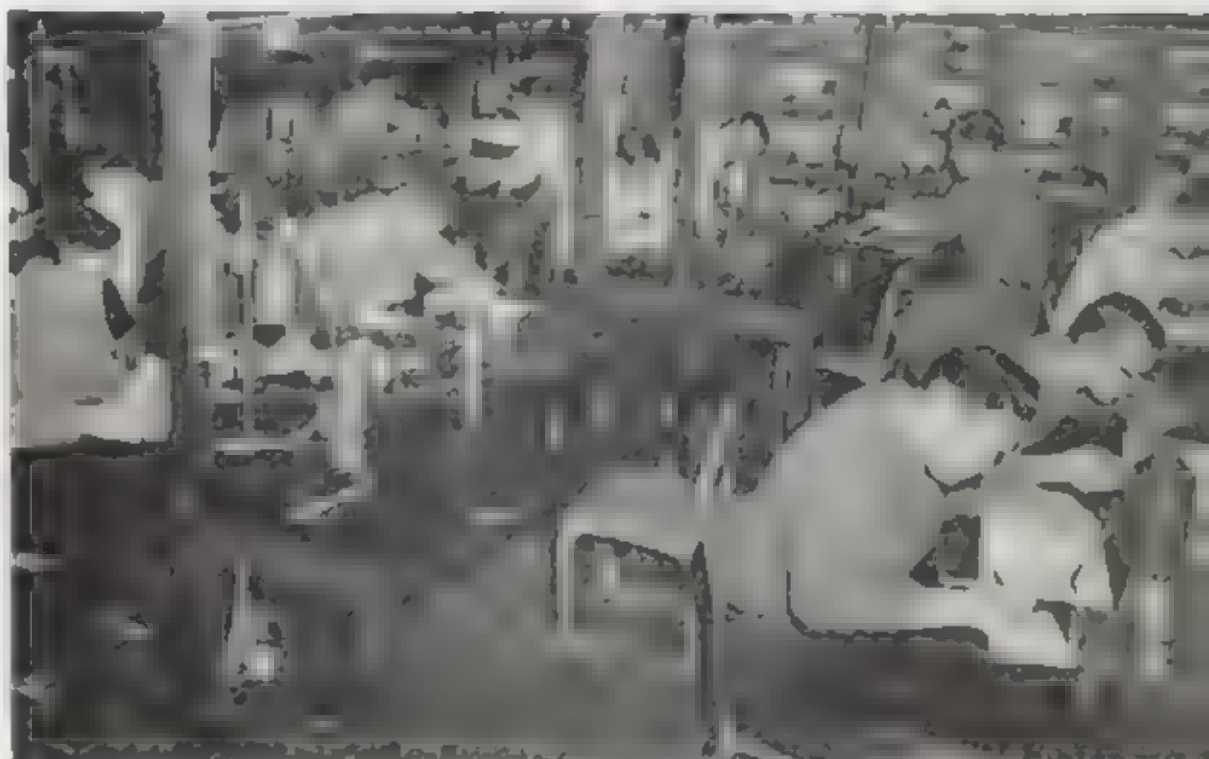

# In Science We Probe the Mysteries of Nature

Through our courses in science we try to understand the many mysteries of our modern scientific world

Laws, problems, and laughter are all a part of the learning program in our junior physics classes

Next comes the eternal question, "Have you learned Avogadro's Hypotheses?" as one senior comments to another. Interesting experiments, equations, and tests are sure to produce capable scientists of the future

## In Languages We Vision New Horizons In Culture

Our dreams would be far from complete if we did not include report, facts and . . . The knowledge of languages plays an important role in this because only through language can we truly understand another people, their history and their culture.

Throughout our years of schooling we have been taught the basic elements of knowledge. English is the language of our people. The language has helped us to gain an understanding of our other subjects. It has helped us to become more intelligent and better able to take our place in society.

In our German class we journey to a distant country where we meet interesting people who charm us with their folk customs and day songs. Our Latin class is the sure foundation for all our language work. Here the study of Roman mythology and culture is a gentle tie that binds us to the past.

In all of these languages we learn much about grammar, about literature, about speaking acceptably and writing effectively. These along with intelligent thinking should serve to enrich our future.

Our Latin studies have with us as Roman drama.

We study the history of the Roman Empire.

Our Latin studies have with us as Roman drama.

## In History The Past Prepares Us For The Future

Learning about man from very primitive times, through the great dynasties of Rome and Greece, up to our modern Twentieth Century is all a part of our school department known as Social Science.

In Ancient History and World History we study the fascinating cultures and ideologies of other countries.

In American and United States History classes we see the proud story of a great nation unfold. Here we become aware of our great heritage.

In civics and problems of democracy we study the plan and workings of our government. Now we begin to realize our share in this government "of, by, and for the people."

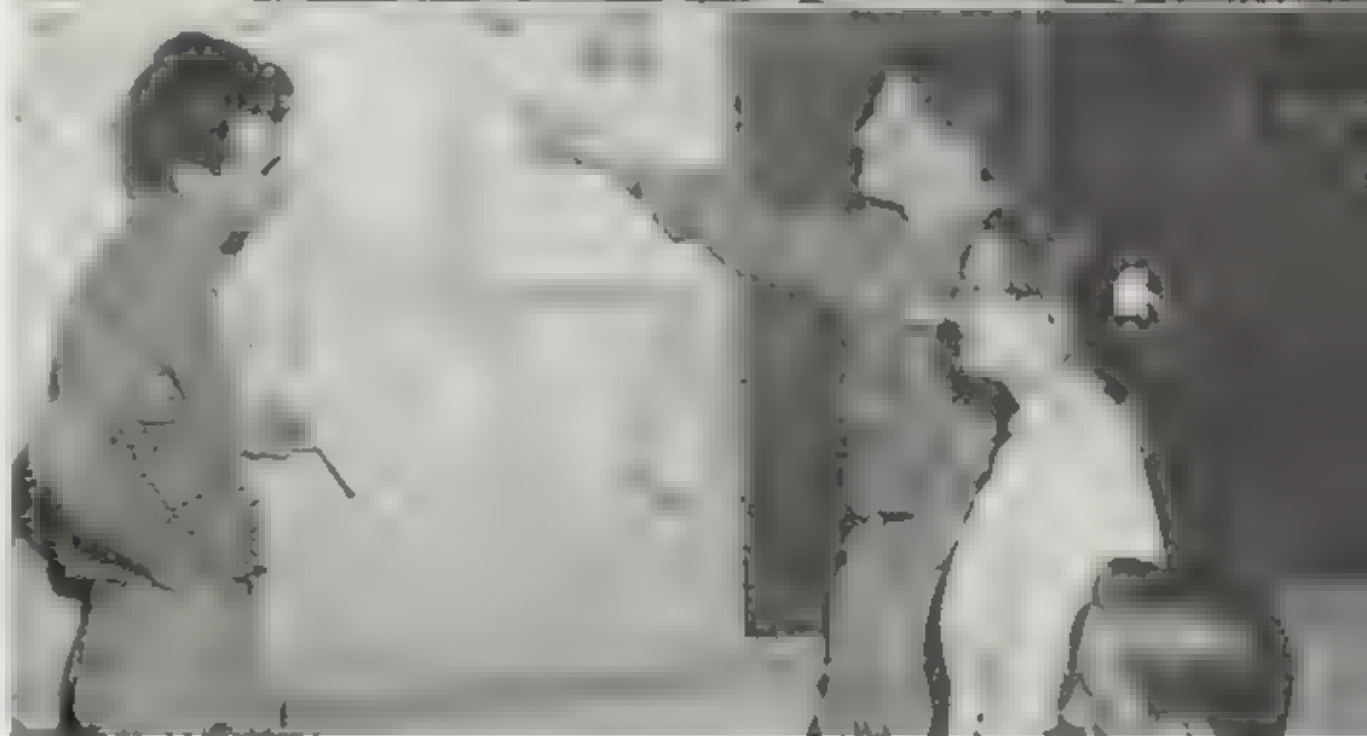

In social living classes we follow the psychological trend and study man in his relationship to society.

These are the courses which help us to understand the past and prepare us for a brave, new future.

Our projectionists set up the equipment for another social living feature. Today's problem? Our mental hospitals.

Our distinguished guest speaker, Dr. Morton Eugene Weldy, lawyer, former college professor, and international traveler, gives us some views of world affairs as he discusses foreign policies in P. of D. class. A poet at heart, Dr. Weldy gave some of us a taste of Robert Frost's works as he read numerous poems of the great Vermont poet.

In P. of D. we learn to understand the world through current topics reports on the international national state level.

## Efficiency plus Accuracy plus Personality equals Good Stenogs

Dear Sir and Madam  
 your take a familiar note to  
 these alert secretaries. With nim-  
 ble fingers they whiz over the keys  
 of a typewriter to produce fine  
 and precise correspondence.

Our fine stenographers of Law  
 Offices, Receptionist work, and  
 Customer Service as they see there are  
 ever present goals to reach a  
 competent office personnel.

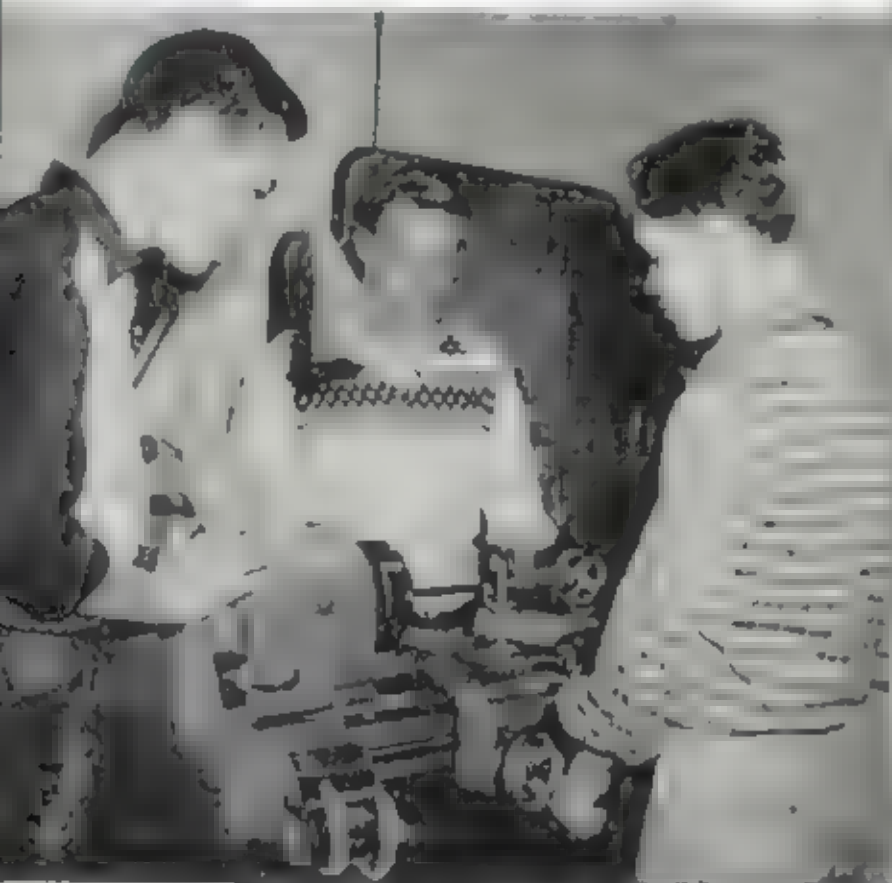

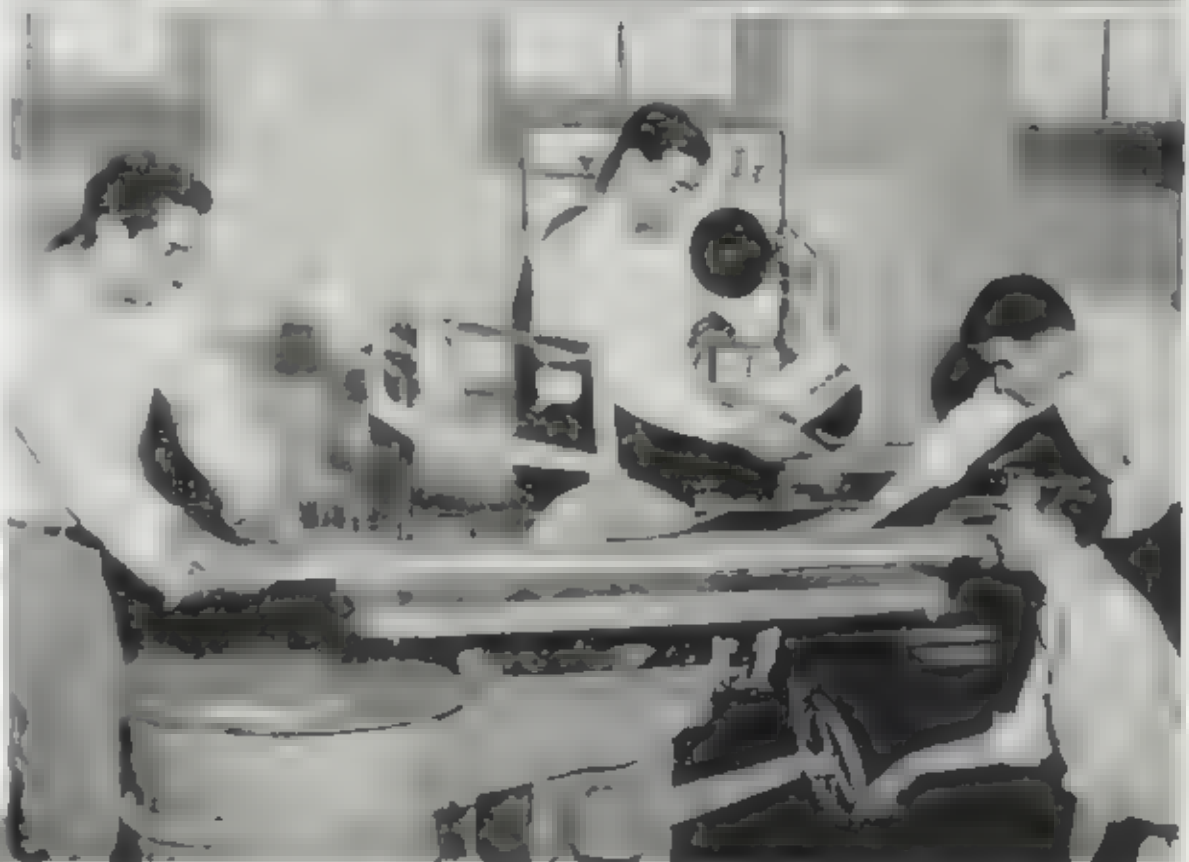

In these pictures we see IBM  
 operators, busy bookkeepers, dicta-  
 experts, shorthand takers and speed  
 demon typists, earning their busi-  
 ness to perfection.

## Industrial Arts Train Our Skilled Workers

Entering our well-equipped shop, one is greeted with the clean, tangy aroma of wood, the buzzing of saws, or perhaps the clear, ringing sound of someone planing wood. Our skilled craftsmen are busily bustling about creating everything from fine furniture to machinery. The boys are trained in the handling of saws, the router, and the various drill presses. After watching our able art students demonstrate their expertness in drafting and leather craft, we journey to the art department.

In our art department we see a picture Rembrandt's brushing with fervor at a masterpiece in the making. Perhaps some aspiring Michelangelo is zealously modeling his own version of the Winged Victory. The student may choose to work with water color, pastel, ceramics, or screen, or one of the many other mediums in expressing his own particular creative ideas in art.

## Home Economics Prepares Future Homemakers

Homemaking covers a large area in N.H.S. One of the main subjects, though, is food. Here we learn the tricks of the trade from correct seasoning to preparing a four-course meal. And we make our table look more attractive with instructions in table settings and flower arrangement. We treat our guests many times in our neatly furnished dinette parlor.

Personal grooming takes on a new look for us in the sewing department as we learn to make our clothes, mend our tears, and wash our linens with ease. And come Christmas Vespers, and other performances, we take on the responsibility of making costumes.

During the homemaking department as a whole, it gives us a very good start in our climb toward our goal as a homemaker.

## Here Music and Song Help Us Along

Junior high school provides us with a lively, awakening interest in music. In senior high school new vistas in melody are opened as we enter an era of specialized instrumental and vocal training. Here under expert leadership we harmonize from Bach to Bixie.

Here too, we broaden our scope in music appreciation by studying the classical composer and their works. Now we are ready for that annual trip to New York and the Metropolitan Opera House. None of us will forget our February 4, 1956, visit with Faust.

The many and varied talents nurtured in our music department enrich our assemblies, school entertainments, concerts, and are a welcome feature at civic organization meetings.

## Vigor and Stamina Come With Physical Education

If you are visiting our school, and happen to pass the gymnasium, you will in all probability hear quick, snappy drill commands or the sound of a basketball as it is dribbled down the court. You may be fortunate enough to peep into the gym and see our artists at work. Perhaps you will find some fellow high in the air above the trampoline or a girl doing a forward roll.

Whatever the scene, you can readily see that these students are developing form and muscle coordination. Or you may step into a nearby classroom and watch health students at work as they try to find out what makes "Homo Sapiens tick!"

These two, Health and Physical Education, go hand in hand as they help us build healthy bodies

These fundamentals in anatomy are sometimes hard to digest.

## Our Own Legislative Body - Student Council

Senior Council — Stand M. Solt, W. Bartholomew, D. Schaeffer, J. Yurish, S. Szilagy, R. Dougherty, J. K. Adviser: L. Kern.  
Seated—B. Hutn. W. Williams, G. Stefany, Treasurer; J. Simcoe, Vice-President; D. Love, Secretary; S. Gerny, J. Schmidt, P. Stewart, President.

The primary objective for Junior and Senior Student Council is to demonstrate in a tangible way Democracy at work. Our members officially represent all homerooms and become the school's most important governing body.

Under the guidance of their advisers, Messrs. Alfred and William Laubach, our Councils study school problems, develop and enforce our school

honor code, initiate good manners drives, assume the responsibility for sports ticket sales, plan pep meetings, and sponsor school dances — including our semi-formal affairs.

Our Student Councils coordinate school activities on the top level, and generally make N.H.S. a fine example, help to keep student-teacher relationship at a high level, and are a sample of the modern American high school.

## We Pledge To Uphold High Standards of Living

National Honor Society — Standing: D. Bartholomew, N. Takacs, Miss Marion Laubach, Adviser; M. Smith, M. Hutnick, S. Kopler, R. Miltenberger, P. Reinert and S. L.

N. Messner, J. Kuntzieman, H. Repp, B. Marchak, D. Moll, D. Love-ace Stewart, Secretary; E. Filipovits, Vice

Under the expert guidance of Miss Marion Laubach, the **National Honor Society** advances in Service, Leadership, Character, and Scholarship.

Everyone has a fighting chance for membership in this honorable organization, but only fifteen per cent of the senior class is selected for membership. Here is a star for which you can shoot, underclassmen.

Since carrying out deeds of service is one of the organization's aims, the members are busily engaged in planning some of our school activities. In addition to sponsoring a leap year dance called "Cupid's Carnival," the members successfully planned and carried out a tutoring system for the student body.

Since "all work and no play" doesn't benefit any group, special treats for the organization include social gatherings at the home of members, picnics and bowling parties.

Clean Speech - Clean Sport - Clean Scholarship

Our senior Tri-Hi-Y clubs combine as one each bound to each as friends." Through numerous activities and projects these girls uphold the high standards of their organization as they strive "to seek, to find, to share" and to extend throughout the home, school, and community high standards of Christian Character

The Savings Stamp Project which made its appearance last year through the Alpha II Tri-Hi-Y is still being supported strongly by the students. Loyal football fans once again ordered their mum corsages from this junior group for the annual Turkey Day game.

In addition to these projects, the thirty-three Alpha girls sponsored "Good Grooming Week

and invited prominent speakers to attend their meetings. They enjoyed fine messages brought to them by Reverend W. A. Kuntzleman, Mr. Lerch, and Reverend John Reese.

Senior girls of the Epsilon Tri-Hi-Y club carry over from last year the management of the refreshment stand at all basketball games and wrestling matches. The "Fall Frolics" dance, which was sponsored by this group, was a great success on October 18. Plans are now afoot for a spring dance in April.

All Tri-Hi-Y clubs perform special services such as filling Red Cross boxes, planning clothing drives, carrying on seven weeks of "Teen Talk" discussions, and doing service work for N.H.S. wherever they are needed.

Alpha Tri-Hi-Y girls enjoy  
an hour of good fellowship  
with their visiting speaker  
Reverend W. A. Kuntzleman

"Mums" the word at  
Thanksgiving time. Besides  
earning profit to the Tri-Hi-  
Y till, they are beautiful mor-  
ale builders on Turkey Day.

The Savings Stamp desk is  
a popular spot every Wed-  
nesday morning. The wise  
student is the one who visits  
here on Stamp Day

# Amptennian Staff - Theme, Copy, Pictures

From September to May, the members of the Amptennian staff busy themselves with the daily work of the newspaper. With the exception of a few days in the winter when the staff is out of town, the work is continuous. The staff is made up of students who are interested in the newspaper and who are willing to devote their time to the work.

The chatter of voices, a last bite of candy, the shuffling of music sheets . . . "Quiet" . . . the raised arms of a directress, all is hushed, and another **Chorus** rehearsal is in full swing. This familiar scene takes place every Thursday morning when one hundred and ten girls and boys assemble to work together musically. They display their extraordinary talents before the student body and the general public in their two special programs, Christmas Vespers and Spring Concert.

If you prefer to hear the fine tone quality and intricate voice technique of a small selected group, visit room 7 at 3:15 on Tuesday and Thursday and listen to our top-notch **Girls' Ensemble**. Many organizations in school, town and neighboring communities demand the musical services of these twenty-five attractive singers.

Did I hear you say your choice in music fancies the lighter side? The **Mixed Ensemble** will suit your taste perfectly. These singers can make themselves at home in exquisite evening gowns or good old-fashioned overalls.

Indispensable to all of these groups is our vivacious and inspiring directress, Mrs. "MOM" Santee.

## Set Our Rhythmical Pace

[illegible]

A flash of Black and Orange, a crash of cymbals, a spine-tingling fan fare — and our NAJHS Band is on parade again. With trim, stately color guards and high-stepping majorettes in the lead off they march with rhythm and precision.

Our musicians experienced variety this year in the form of directors — studying first under Mr. C. James Kocher, then Mr. Edwin Berg, and now under the direction of Mr. James Patterson.

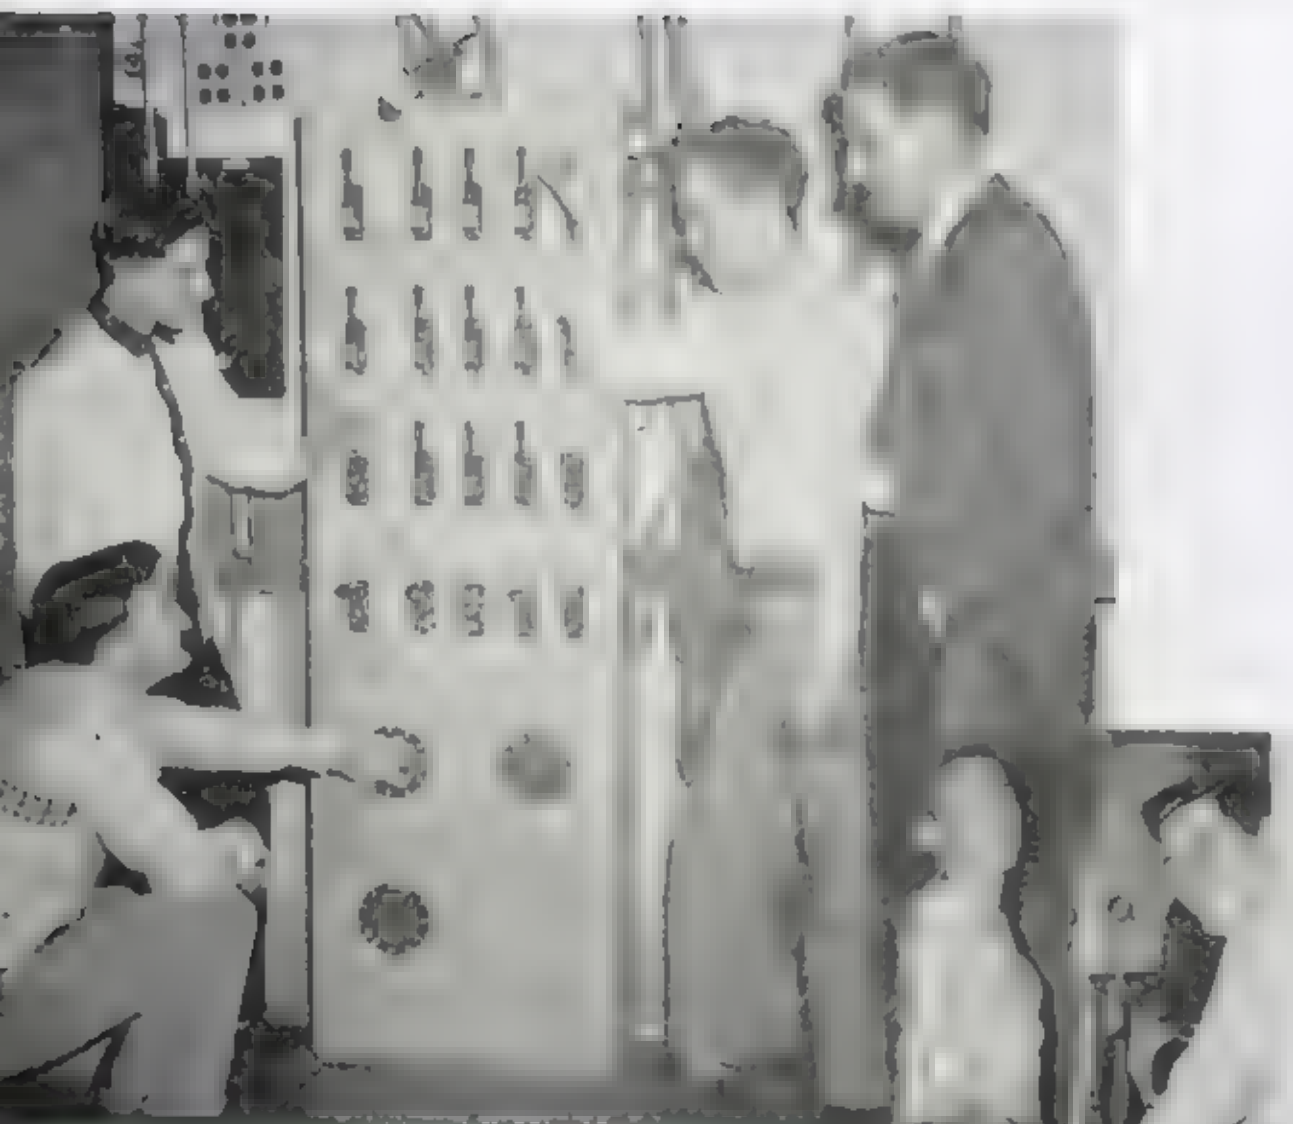

Round the calendar our Band performs willingly. Mud on the gridiron, frost on the Halloween parade ground, dripping perspiration at summer concert time — none of these deter our band members as they provide us with classical or popular music.

Then there are assembly programs, spring concerts, and finally the Black and Orange rounds out the year's events with an excellent concert at Dorney Park.

### Stage Crew and Projector Crew:

A touch of the switch, a yank on the curtain, a turn of the color wheel—these are all duties of our capable **Stage Crew and Projector Crew**. The words "curtain" and "lights" have become part of their vocabulary, and their quick thinking is an asset to our many assemblies, concerts, or dramatic productions. Our hats are off to these fellows "behind the scenes."

These flash-bulb-happy photographers are busy all year long learning their fundamentals in **Photography Club**.

Practice makes perfect, and good picture-taking now will help to make our yearbook a finer book tomorrow. Carefully they print those precious negatives, because they know a picture is worth a thousand words.

By participating in a major sport or by accumulating a certain number of points, the boys can earn a membership in the N Club. Children receive their points for the week with their money. Mr. Harry W. H. is the treasurer, and he is responsible for the club's accounts. The club is a very active organization, and the boys are very proud of their new three-letter men.

safety first. This is uppermost in the minds of these sportsmen who learn under the counsel of Mr. Henry Weir who holds coveted titles and trophies in his own fine marksmanship. The Rifle Club members learn how to handle a gun skillfully and how to care for it properly. These sportsmen are always looking for perfection—

In This Game it is Mind over Muscle

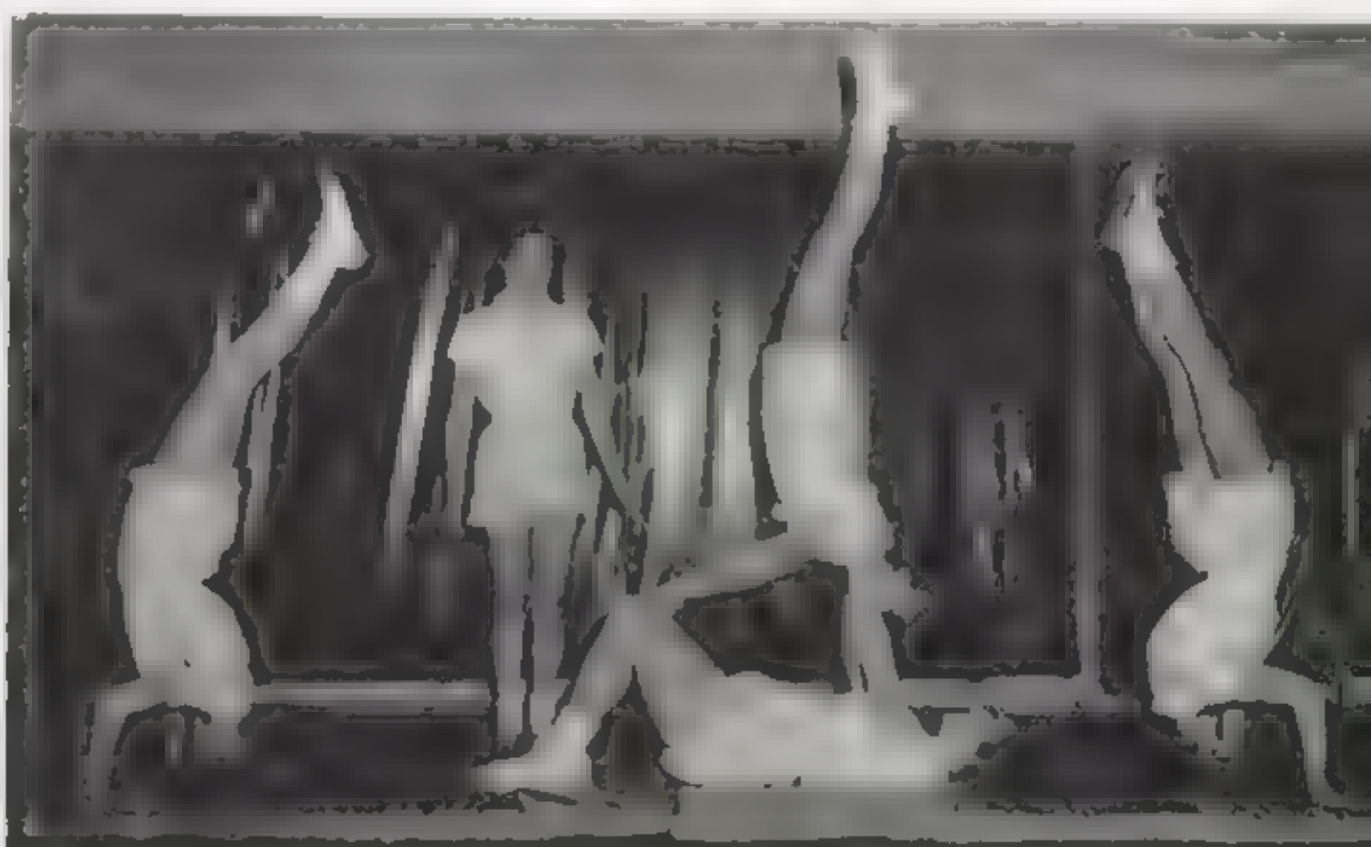

Gym Team: Every week the gymnasium is filled with the sound of the cheerleaders. Many of the girls were just beginning to learn the gymnastic form and skill. After a few splits and the other stunts, the girls were able to perform the Gym Team routine. It was a great time for the girls to show their skill and to have fun.

Clinic is a must for all football men. Here in the clinic you can sanctum our pigskin heroes and let them show you a new play and develop that new strategy which leads to stellar football and another championship team.

Imagination ? Energy ? We've Got It

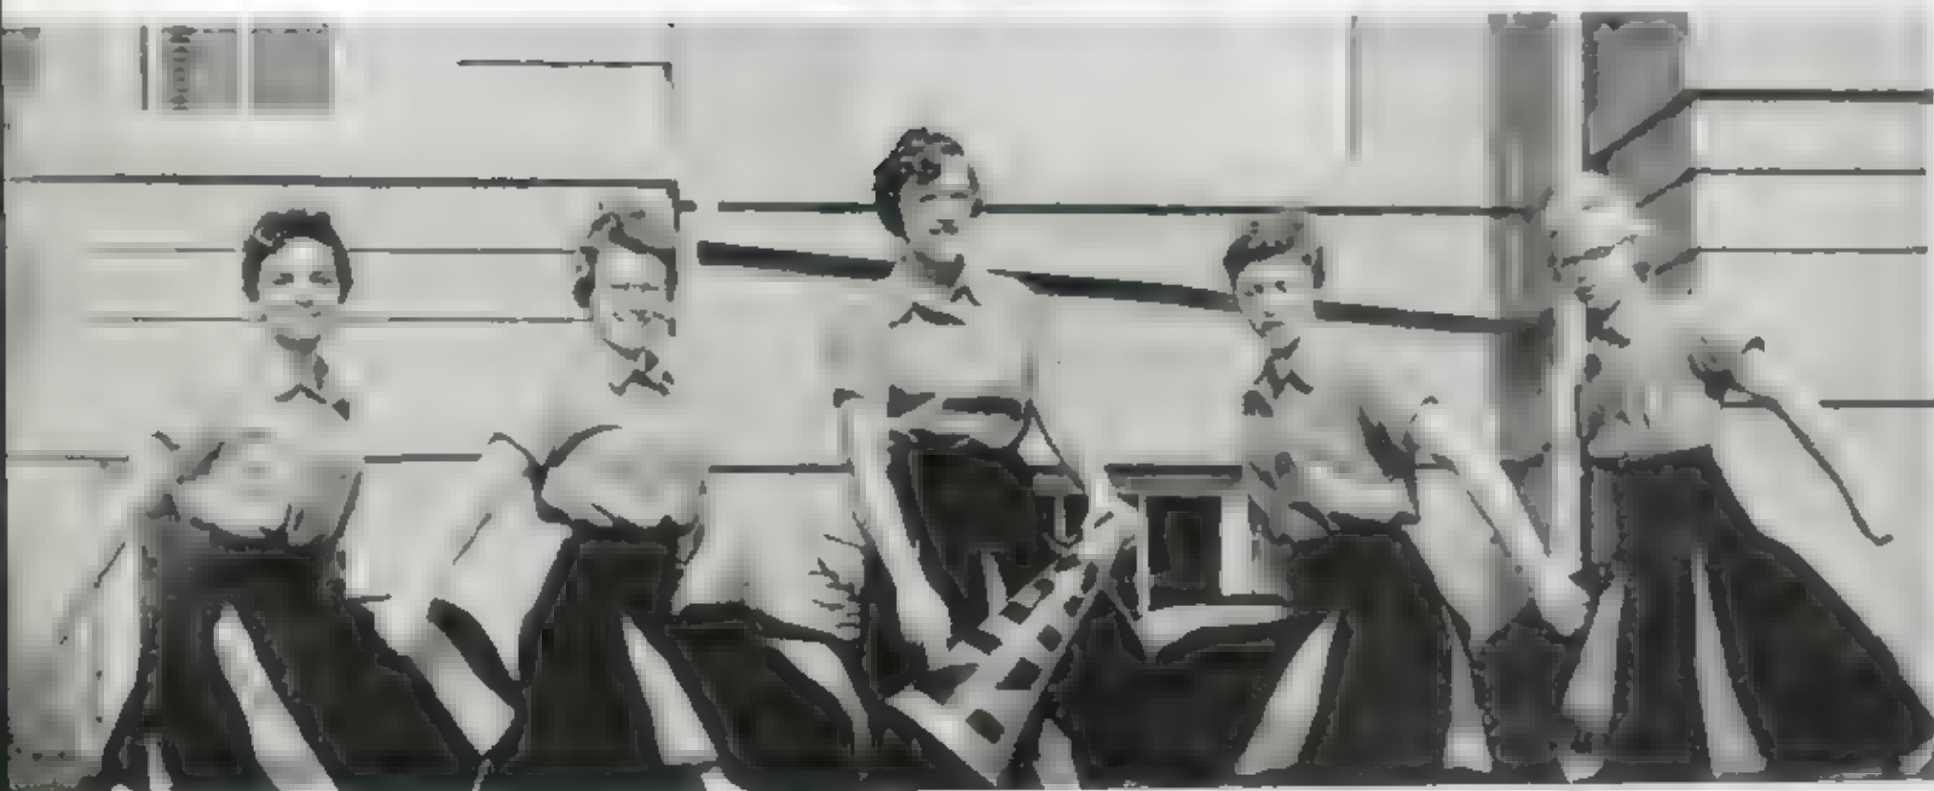

Abstract or modern? Oils, finger paints, water color, paste, ceramics, or silk screening? All these come under the heading, Art. Here in the art department under the watchful eye of their adviser, Mr. Melvin Kleppinger, the Art Club members will find a media to suit their taste and will delight in experimenting with new ideas. The big annual event for a member is the Art Exhibition in the spring. There each artist proudly displays his work and says, "Look, Mom and Dad, this is mine!"

## Music In Lafayette Style With Prof. Raymond

November 8 was a very special day for eighty girls and boys who invaded the Lafayette community in Forton to participate in a county-wide musical clinic under the direction of Professor John D. Raymond.

We joined four hundred students from fifteen high schools learning many new music techniques and harmonizing together.

After long, arduous practice sessions, we listened to Lafayette's choir demonstrate new ideas in music making with old and new music friends in hours of sparkling song made our day with General Lafayette into a memorable one.

Dashing Dan, our camera man was on his toes to give us photographic coverage of the day's happenings.

Dr. G. A. Eames, Superintendent of Northampton Schools and Chairman of the Education Committee of the Northampton Chamber of Commerce spearheaded the day by inviting businessmen and women to come and help to support the activities of our school. After a tour of the guest were invited to the Dining Room for a luncheon. Mr. Palmer, public relations representative of the P. P. and L. was the after dinner speaker.

The entire afternoon was devoted to the importance of economic industry, rather than being confined solely to modern educational techniques. Arrangements were made for the discussion of the American Economic Foundation's program. A presentation was presented by Richard Williams and Louis G. Milione Jr., two authors of the program.

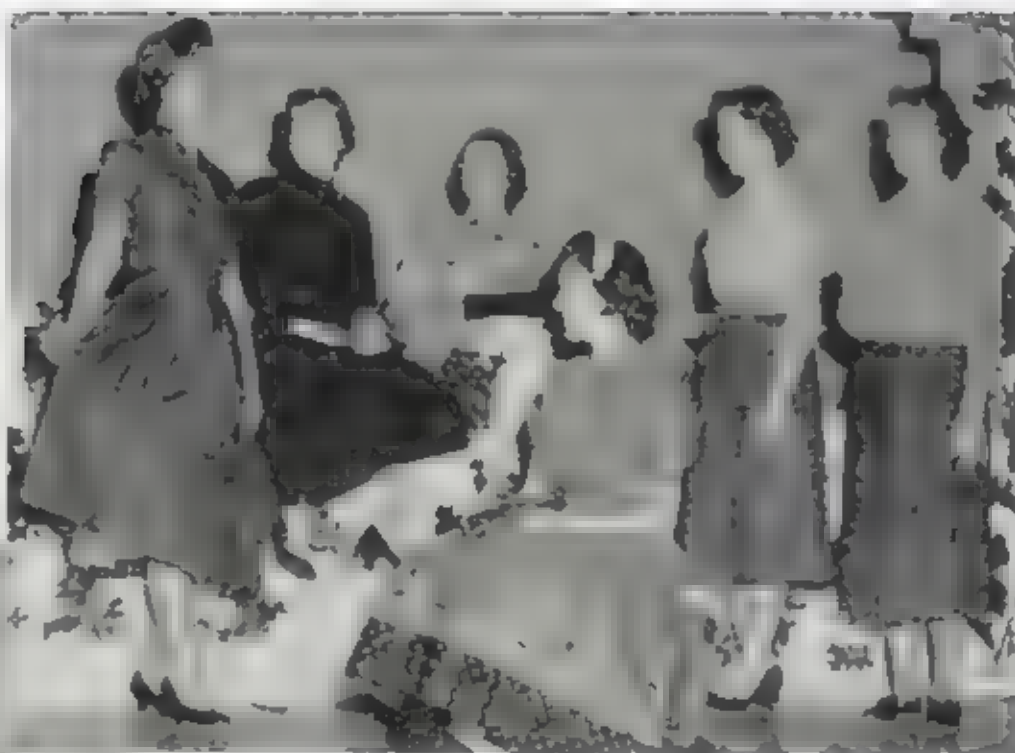

During the meeting a surprise action was taken by Mr. Williams of Universal Atlas Company, who stated that the Northampton Chamber of Commerce would supply a complete American Economic Foundation program kit for local classroom use. The formal presentation was made by Mr. Anthony B. Iera, Chamber of Commerce president.

## Rival Schools Find Harmony In Music

Prof. John Raymond directs the rehearsal of the N.A.J.H.S. choir.

On February 10, something new was added to our calendar of activities. Our first rehearsal N.A.J.H.S. became host to the mixed choruses of Catasauqua High School for an afternoon of good music.

Under the expert direction of Prof. John Raymond of Lafayette College, our combined choruses studied new rhythmic technique. By the end of the rehearsal much progress was

noted on the selections "Give Me A Song To Sing," "While We're Young," and "I Hear A Voice A Praying."

Credit also goes to our music directors, Mrs. Burns and Mrs. Santee, for a successful music experience.

After a social hour, we ended the afternoon with study, and it was with real regret that we said good-bye to Prof. Raymond and our new music friends from Caty.

The Christmas story was again told this year in carols and songs of Spanish, English, Moroccan and Arabian origin. The music centered about an excerpt from the Nativity story. Children and mixed ensembles as well as the orchestra and soloists offered their Christmas arrangements. Instruments, backgrounds were provided by a brass, tenor, chimes, piano, flute and electric organ.

The music was directed by Mrs. Theresa Santee while Miss Barry

Once again there was standing room only in our auditorium as the children and adults participated in the beautiful and inspiring Christmas Eve program which has become a favorite tradition in our school.

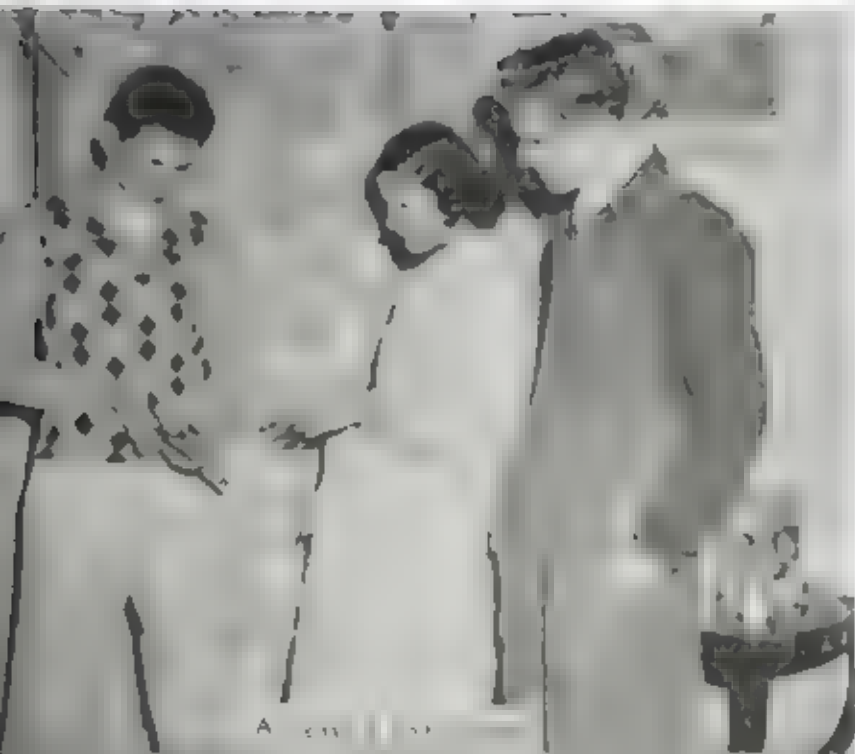

## Amateur Actors Find Life Isn't Dull

Isn't life dull? Indeed not, and we can say definitely not on January 25 and 26, the nights of the laugh-provoking senior class play entitled, "Isn't Life Dull" by Wilfred Massey. The cast of seniors under the superb direction of Miss Marion Laubach did an excellent job of entertaining two capacity audiences.

We present a synopsis of our rib-tickling comedy. Due to the fact that June Townsend and Roy Dellow enjoy crime films, and want some excitement in their "dull, colorless lives", Mr. Frank Dellow and Arthur Townsend decided to show their children how frustrated a criminal can make his family. While the fathers are plotting, dear Aunt Emily busily bustles about serving postum and feeding the "Duke" peppermint lozenges.

With the help of Aunt Emily's cup of "spirited postum, Marilyn falls asleep behind the sofa and overhears her father and Mr. Townsend talking about "where to bury the other one!"

## In The World of Grease Paint and Footlights

After a considerable amount of confusion, tears and some frightful experiences, the truth comes out and Messrs. Dellow and Townsend realize how foolish their plotting has been, and how they should never have misled their children.

As the curtain slowly closes we find the two families settling back in their easy chairs again wondering what to do for excitement. Aunt Emily solves the problem with a movie, "A Murder A Minute." But don't you see, that is what keeps life from not being dull.

## A Spotlight For Junior Speakers, please

Standing—Philip Petrick, Andrew Zaharchuk, Gregory Stefany, Joseph Milisits  
Seated—Doris Stuber, Sylvia Rockovits, Peggy Kline and Cora Montgomery

A feeling of tenseness, the smell of roses, the rustle of silk and satin filled the air. The lights grew dim, the curtains parted, and a breathless hush filled the quiet auditorium. It was the evening of the 30th Junior Speaking Contest.

Classmates, parents, and friends listened attentively as eight Juniors, coached by Mr. Donald Ervin, skillfully delivered their orations and proved their dramatic talent.

The judges—Dr. Wotring of Cedar Crest College, Dr. Erskine of Muhlenberg College, and Dr. Barker—awarded first prizes to Doris Stuber and Joseph Milisits and second prizes to Sylvia Rockovits and Gregory Stefany. All the speakers performed magnificently making this Junior event a highlight on our calendar of activities.

To make the program complete there were selections by an instrumental ensemble, a girls' ensemble, a vocal duet by Carol Kohler and Thomas Keller, a vocal solo by Thomas Keller, and a piano solo by Claire Jones.

Congratulations to speakers and performers for an evening of good showmanship.

## A Harbinger of Spring

Junior High School Band

The evening of March 8 proved to be a memorable one for those who attended the Junior High School Spring Concert. A capacity audience listened entranced to gay medleys as well as classical numbers such as the **Prelude in C# Minor**.

The Junior Band, under the direction of James Peterson, favored us with a snappy march, a Strauss Waltz, and an exciting excerpt from **Carmen**.

The vocal departments, directed by Mrs. Thelma Santee, captivated the audience with **An American Heritage**, **The Green Cathedral**, and the ever lovely **Steal Away**.

Choruses and band finally combined to give us the thrilling finale which featured **I Hear America Singing** and **America The Beautiful**. And so another evening of fine music came to a close.

# We Came, We Saw, We Conquered

The Tenth Annual Lehigh Valley Science Fair held in Muhlenberg College Memorial Hall on April 18, 19, and 20 under the auspices of the Call-Chronicle Newspapers was the biggest student science show ever held anywhere in America.

Here were the dreams of 3,200 students. Here was tangible evidence of hours of work and study as shown in 800 excellent exhibits.

Of the sixty-seven participants from our school, many received outstanding awards. We especially commend Sidney Luckenbach who was selected Reserve Grand Champion in the chemistry division.

Honors also came to Mr. Ernest Papp, who received a gold medal award for his ten years of active service. Mr. Papp served as the vice-president this year and will head the 1957 Science Fair as president.

Since space does not allow us to include all science projects, we have shown here the work done by seniors. The conservation projects are featured on pages 140 and 141.

These are the people who met the challenge of scientific research and established new records of achievement.

## Shakespeare or Bach - We're on Top In The '56 Forensics

The annual Eastern District Contest of the Pennsylvania Forensic and Music League was held for the 19th consecutive year in our school on March twenty third. On this day the halls echoed with the strains of silver-toned speakers and sparkling voices. The strains of silver-toned horns, woody-sounding clarinets, and other instruments resounded throughout the building as students from 13 high schools gathered with enthusiasm in 28 different rooms. Once again N.A.J.H.S. set a new record in the event.

Those taking first place in the forensic division were Robert Turanchik in Shakespeare reading, Sidney Luckenbach in serious declamation, Jayne Kuntzman tied for first place in humorous declamation with Mary Collura of Mauch Chunk Twsp. Music winners were Sidney Luckenbach in trumpet, Sylvia Santee in alto solo, and the Girls' Ensemble.

Congratulations to these winners and all those who participated in our 1956 Forensic and Music League Contest.

## Plush Pastels or clay--These Dreamers Like to Create

With the coming of Springtime and the budding of new life, our drab gymnasium took on its perennial Greenwich Village air as it decked itself for the annual May Art Exhibition.

Budding artists, under the supervision of Mr. Melvin Kleppinger, work all year + perfect special projects which will be displayed on this occasion.

Imagination, the proper medium, and dexterous fingers all help to put visions in color. Whether the designs are conventional, abstract, or realistic, they are sure to be pleasing to the eye. Media ranging from pastel, charcoal, tempera, water color to the classic oils are used. Ceramics, silk screening, clay molds, or wood carvings are a few of the techniques displayed in our show. On the spot demonstrations prove especially interesting to our visitors and help make the evening a fine success.

# ASSEMBLY

The assembly was held on Wednesday, May 1st, at the school hall. The program was very interesting and the students enjoyed it very much. ## The Hour of Make-Believe

During the course of a school year we meet many challenges. Some of us emerge victors. Here we present winners in various phases of scholastic and extra-curricular activities.

## Enchanted Evenings With Soft Lights

No matter if the tune is a rock and roll or a dreamy serenade, the dance floor is the spot where all music lovers let the beat get into their feet.

Decorations, colored lights, teeming refreshment tables, and all of us in our Saturday best — This is what makes a successful informal dance. Our autumn "Fall Frolics" and our February "Cupid's Carnival" were the highlights of our informal dance season.

## Youth Runs A Railroad

Youth ran a railroad last May 20th when 22 Northampton High School seniors operated the N&B with the rest of the boys in their class as interested spectators.

Six of the chosen 22 fitted "white" overalls, while the rest donned caps, overalls, and the traditional red neckerchiefs and went out on the right of way. Some worked in shop departments, others acted as track maintenance crews, and all others operated the trains as shown in the accompanying photographs.

These pictures show the boys on the job. Starting at top right we have

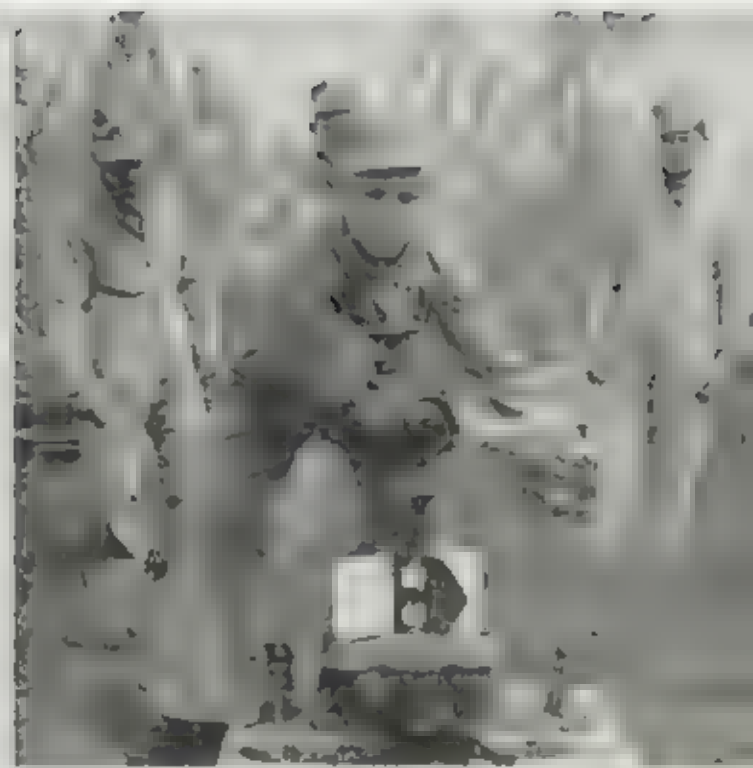

**ON THE JOB:** Robert Bach, engineer-for-a-day, is shown in the cab window; with him is Mike Bendekovits; Bach actually operated one of N&B diesels, he had been briefed at four training

**INSTRUCTIONS:** Student engineers get important pointers in safety.

**CAR SHOP:** Frank Black, Supervisor, Motive Power & Equipment, outlines car shop work.

**FULL CREW, PLUS:** Part of the 22 man contingent swarm a Northampton & Bath locomotive. Superintendent Latchaw, shown in back ground, issues some instructions to the crew.

## Dreams of Destiny - 1955

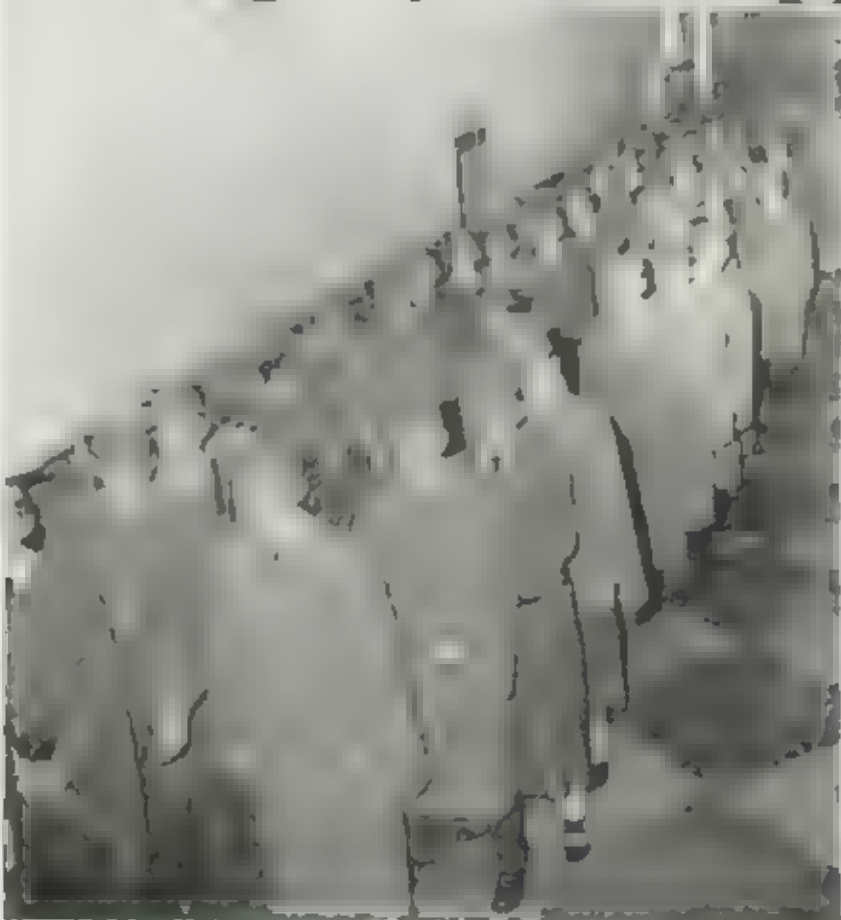

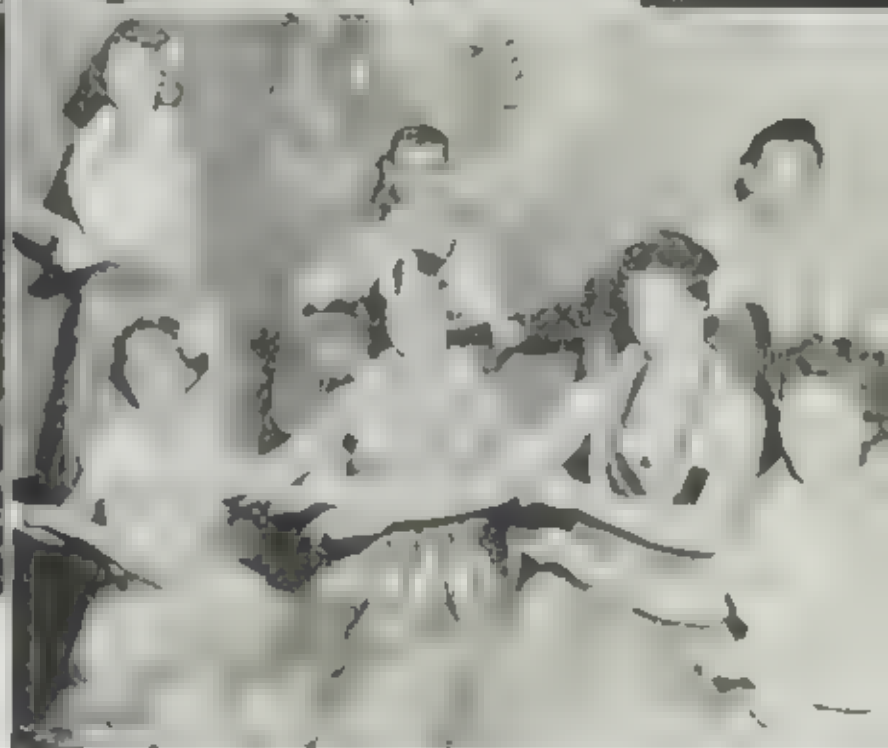

The graduating class of 1955 solemnly donned caps and gowns last June 6th to attend their impressive Monday night Commencement Vesper service. Reverend Mark Frantz, guidance instructor at Pen Argyl High School and an alumnus of Northampton High School with the class of 1934 was the speaker.

Then came the big night, Wednesday, June 8th, when the seniors presented their commencement pageant, "Dreams of Destiny." Not only did they enact their pageant, but as has been the tradition at N.H.S. for more than twenty years, they also wrote the production under the supervision of their director, Miss Marion Laubach. The theme—"Back of the job, the dreamer who is making the dream come true"—was symbolic of the entire pageant.

At the close of the pageant 170 proud seniors assembled in their caps and gowns for that memorable processional to the stage to the strains of "Pomp and Circumstance." Again another page in history was written for the new Alumni of N.H.S and gleaming avenues of destiny beckoned them to a happy future

The forecast for football at N.H.S. in 1955 appeared hazy but not dismal. With their players lost through graduation, Coach Al Erdosy's dreams of defeating P-burg of winning his 100th league game, and capturing his 13th league crown seemed very vague. Then the season was underway and things began to happen.

Coach Al Erdosy, in recognition of his outstanding football record — winning his 100th league game and capturing his 13th league crown.

## Northampton at Phillipsburg

The opening game at Phillipsburg proved to be a hard-fought battle as well as a curtain raiser. As the first moving Konkrete kid offensive machine unleashed its fury, the fans wonned another league crown in their dreams. The Garnet scored first on a three-yard punt by Rogers, but the inspired Kids retaliated with a Hoffman to Kuntz pass, good for a TD. The last Northampton defender recovered a fumbled fumble to set up another TD. When Reimer scored on a four-yard end run in the third quarter the Kids teamed their way to the end zone where Hoffman plunged over for the TD. The Orange and Black a surprisingly 20-0 victory over their highly touted opponent and the first P-burg victory for N.H.S.

## Northampton at Emmaus

For the second time in two years a spirited Emmaus eleven gave Northampton a surprising defeat. The game was a score of 14-0 in which 14 TDs were canceled due to fumbles and penalties. The Konkrete Kids used the four-point advantage to gain 14 to good advantage, scoring six TDs in the game. The Konkrete Kids were led by their great player, Bill Reimer, who scored on a five-yard first period run and on a brilliant forty-yard run to pay dirt in the third quarter. The third TD came on a Hoffman to Kuntz pass. The Konkrete Kids captured their first league win with a hard won 20-13 victory over the Green Hornets. Bill Grube and Ed [unclear]'s performance contributed greatly to the victory.

### Northampton at Whitehall

The 3,000 fans who turned out to see the "Big Game" between two supposedly evenly matched arch rivals stared in astonishment as the Northampton offensive machine trampled Whitehall into submission. The Kids struck quickly on three first period TD's. Reimer scored on an 18-yard run; minutes later Hoffman scored from the one. Marv Kuntz intercepted a Zephyr pass and raced 32 yards for

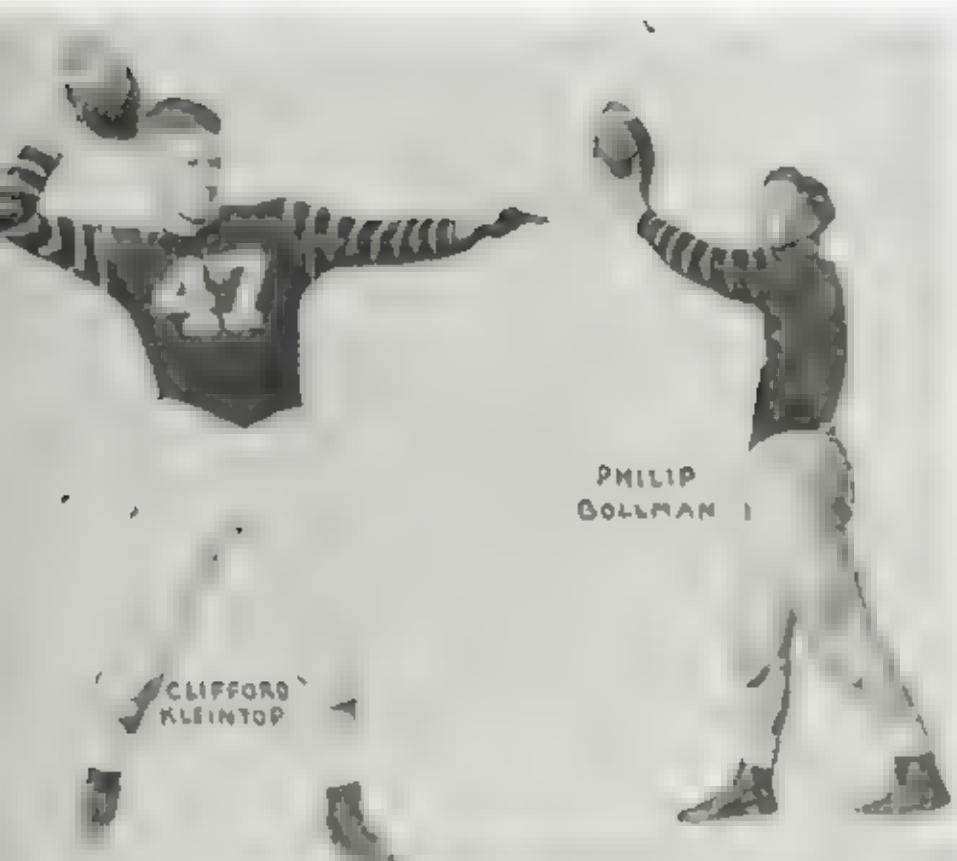

the more point. After the Zephyrs managed to score one TD, Richardson added another for the Orange and Black to make the final score 46-6. The game was highlighted by the spectacular play of Marv Kuntz, Bob Phillips, and Ed Markovits, along with the fine performance of the other players. Stephen Korch was the main stay in our defense.

#### Slatington at Northampton

The Konkrete Kids captured their third straight league win with an easy 41-0 victory over Slatington.

Marv Kuntz scored on the first play of the game on an end around traveling 42 yards. Bob Reimer scored twice while Charlie Hoffman ran for one TD and passed to Marv Kuntz for another. Kuharuk and Shimer added one TD each. Again the stellar line of such linemen as Bill Grube and Carl Wunderler helped the Kids tremendously.

#### Northampton at Palmerton

The Blue Bombers and Konkrete Kids met in a duel of the offensives. The Kids stunned Palmerton with two long first period runs — a 94-yard sprint by Hoffman and Reimer's 65 yard run. The Bombers put up a terrific fight before submitting 38-20. Quite a few new faces appeared on the playing field. Clifford Kleintop, and Philip Bollman particularly displayed great potential in this game.

Victory number seven was easily achieved by the Konkrete Kids. Shimer and Reimer scored five TD's between them to lead N.H.S. to a devastating 44-0 victory over outclassed Bangor. "Moe" Marth racked up his first TD of the season as Coach Al Erdosy gave the reserves a chance to display their wares.

#### Catasauqua — Northampton

"Turkey Day" found the two arch rivals of the Lehigh Valley fairly evenly matched according to pre-game statistics. Once the mighty Konkrete Kids started to roll, one would never have thought so, however. The Kids battered Catty with three first period touchdowns. One each by Reimer, Hoffman, and Kucharczuk. Shimer smashed his way for two TD's while Reimer and Kucharczuk added one apiece again. The bewildered Rough Riders finally broke through Northampton's staunch line for a TD on a pass of Salivonchik to Dick Columbo. Mike Bundra scooped up a fumble late in the game to give Catty a second TD. Nine-thousand fans turned out to see the Black and Orange crush Catty 45-12 for Lehigh Valley League Title number 13. It was again the old story — a set of speedy, shifty backs behind a dynamic line of such stellar linemen as Karl Wunderler, Ed Weinhofer, and Ed Mirakovits. Particularly outstanding was the play of Philip Bollman who repaired the injured veteran Ed Gassler at right end. Once again the season displayed the importance of concerted team effort.

#### Ending

Football enthusiasts at Northampton will never forget the 1955 season. The powerful Konkrete Kids paved their way to an all winning season of nine games. Highlight of the season was a decisive 21-7 victory over a classy Phillipsburg team, our first victory over the Garnets in 15 meetings. The Orange and Black captured their 13th league crown, while giving coach Al Erdosy his 100th league win. Much of the season's success goes to the veteran line composed of nine seniors.

Coach Harry Wall looked forward to a fair season as he had a lot of State Champs Micio and Keelovits plus Kulp, Kleppinger and Moser. In regional champ Bob Meyers and other veterans like Don Santo, Bob Phillips, and Al Lotti he had the muscles of a strong team. In back of these were fine grunt-and-groaners like Joe Recker, Carl Brownmiller, Bill Grube, and Dick Santo who all helped lead the Kids to second place in the Lehigh Valley Wrestling League.

The Konkrete Kid grapplers opened the season in fine style with a 38-7 victory over Washington, N.J. Renner, Lotti, Grube, Breittfeller, Meyers, and Don Santo all scored pins. Next the Kids met a tough, well-seasoned Allentown eleven. The Canary grapplers led by Rohrbach, Baker, Schmoyer, and Gross gained a close 25-18 decision over the Back and Orange.

Next time out Nazareth did most of the grunt and groaning as the Kats rolled them 47-3. Joe Recker proving he's no flash-in-the-pan, scored his 3rd straight pin, A spotted Hurricane eleven from Bethlehem faltered as Recker and Brownmiller scored pins to lead the Kats to a 27-13 decision.

Joe Recker scored his fifth consecutive pin as P burg fell by-the-wayside 39-10. Next the Kids pinned Washington, N.J., 30-10. Joe Recker chalked up his sixth straight pin while Bob Meyers kept his unbeaten string alive. The Kids nabbed a tough 22-14 match in their meeting with Easton

Next Coach Harry Wall sent his team through drill to prepare for the match with league leading Allentown. The Kids mauled the Canaries in the lighter classes but Allentown's heavy-weights pulled the match out of fire. Canary Hal Gross took a close decision from Paul Miller to give the Canaries a hard-earned 20-19 victory and undisputed first place in the Lehigh Valley Wrestling League. Meyers and Recker again scored pins while Don Santo, Bob Beck, and Carl Brownmiller decisioned their opponents. The Kids walloped Nazareth 45-9 in their outing. Recker, Suranofsky, Lotti, Breitfeller, Meyers, and Don Santo all scored pins to trim the Eagles' wings. Bethlehem's Hurricanes jolted the Kids 24-20 in a closely contested match as co-captain Meyers was side-lined due to illness. Easton upset the Black and Orange 20-17 to drop the Kids to third place. Joe Recker scored his 11th straight pin.

The Konkrete Kids blasted Phillipsburg 36-7 to wind up the league season and move the Kids back to 2nd place. In their finale the Black and Orange posted a 38-2 win over Perkiomen Prep in a tune-up for districts. In the district matches the highly-touted Allentown Canaries nosed out the Kids 63-58 in the late match. Behind the two front runners were Easton with 41 points, Bethlehem 36, and then Nazareth and Phillipsburg. Recker became the District champ at 95 lbs. by pinning Manley of Bethlehem. Lotti decisioned Bechtel of Easton to cop another first place. Meyers successfully defended his 127 lb. title. The fourth Black and Orange title came with Santo's 3-1 decision over Black of Bethlehem

In the regionals at Wilkes Barre the Konkrete Kid District champs showed up nicely. Recker, Santo and Meyers won regional crowns in their respective weight classes. Lotti lost a close 7-5 decision in the semi-finals

In the state meet Bob Meyers went all the way to the finish where he lost a close 3-2 decision. Coach Harry Wall's squad posted a 9 won, 4 lost season and despite the loss of eight by graduation he looks forward to next season. Ralph Wagner's Jaycee grapplers won nine of ten matches. They revealed some fine prospects for next year's varsity

## Provide A Thrilling Basketball Season

With six well-seasoned players returning from last year's squad, Coach Pete Schneider looked forward to a successful season. What a season it was! The Konkrete Kids took second place again in the Lehigh Valley League and captured the Smith Hall Tournament championship.

Parkland gave the Kids a 56-45 shot in the opener but the Kids rebounded quickly with a 76-66 victory over Coplay. Shimer poured 24 points through the hoops while Simcoe added 20.

Next the slow starting Black and Orange were edged by Bethlehem Catholic 70-65 thanks to Simcoe's 39 points. Dick Burkhead Betahi with 21 points. Again the Kids hit the rocks as Fountain Hill took a 74-59 decision from them.

Finally the Kids proved they were as good as the season experts had rated them. Philadelphia fell victim to a 73-40 onslaught. Jump shot artist Ed Simcoe scored 31 points. Ed Gasser had 14 and Walt Hucaluk had 10 points.

In their Smith Hall Tournament debut the Kids rocked East Stroudsburg 48-32. Next the Kids out scored highly rated Slatinton 58-51. In the championship game Weatherly's Wreckers found themselves wrecked by a sharp shooting Black and Orange quintet. Simcoe's 24 points led the Kids to a decisive 65-52 victory and their first Smith Hall

### Tournament Championship

In the league opener the Konkrete Kids bounced back 67 to 62 to beat time out they greeted Lehigh with a 72 point avalanche. Shimer's 27 points were a key factor in the 72-41 victory. Stroudsburg fell before the mighty Kids 74-57. Simcoe's 23 points led the Black and Orange to the semifinals as they defeated Coplay 76-66.

Shimer's 24 points and by Hoffman and the beautiful set shots of Shimer led the Kids to an overwhelming 58-51 victory over Emmaus. Whitehall was next on the Kids' list by Ed Simcoe's 19 points. The Kids won 65-57. Next on the Kids' list was Slatinton, a perennial powerhouse. Miksits' spectacular back-court play and Simcoe's 24 points leading the Kids to an easy 76-66 victory over the Super. Shimer's 24 points led the Kids to a 76-66 victory. With a league victory under their belts the Kids prepared to meet Palmerton also undefeated in league competition.

The Banners and Kids met head on in Palmerton. The Banners won Palmerton 78-54. But the Kids never gave up. The Banners won 78-54. But Miksits of Palmerton matched Simcoe's 26 points for high scoring honor.

Em — And G... — for a basket

Still shaken from the Palmerton loss, the Kids received another ick. Cats... 50 in the second-half opener... however, the Kids... 53 behind... 37 points. Next time up, the tired up Kids to... Stroudsburg over the... 76-57.

The Hornets... gave the Kids a... before falling 48-45. When... tried the same, but Simcoe's 21 points... otherwise as the Kids took the win... the Jephrys 65-59. Slatington fell beneath... of Black and Orange baskets as Simcoe's 26 points led the Kids to a 66-53 victory.

In their last outing the Konkrete Kids met the vaunted Palmerton Blue Benders. For many fans and coach alike left the game with... nerves for the Kids fought desperately... losing a 63-61... A last minute... by Jerry Simcoe hit the rim, rolled around, then fell out as the fans held their breath. Eckert led Palmerton with 32 points.

And so closes the 1955-56 edition of the basketball Konkrete Kids. They experienced the best season in many a year at Northampton. They captured second place in the Lehigh Valley League and also the Smith Hall Tournament Championship. A lot of credit goes to Jerry Simcoe, one of the area's finest players and possibly the greatest in Northampton basketball history. He has set more than 15 records at Northampton. Among them are: most points one season 493, most points in seasons, 1,033, most points on an opponent, 44, to mention only a few. He will also be remembered for the Lehigh Valley League All-Star team. Easily... for the Black and Orange... were Charles Hoffman and Willie... and the backcourt men... and Simcoe. Let not forget the fine reserve... Kent, Guss, and Suto. Truly, this was a team to be proud of.

Coach Seiger's junior varsity Konkrete Kids turned in a fair seven won, twelve lost season despite the loss of practically all of last year's team to the varsity. Led by center Joe Crowell who scored 217 points throughout the season, the Kids experienced some very close games like their thrilling 63-62 victory over Statington. Besides high-scoring center Joe Crowell, the Jayvees revealed some fine pros-

pects for next year's varsity. Joe Milisits with 132 points and Reynold Morey are two fine backcourt men. Under the basket Coach Seiger had good rebounders in Laird Brownmiller and Kuba. Next season's Jayvee edition should find itself well prepared with Ludwig, Beidheimer, Kohler, and Frank Miksits who saw limited action this year but displayed much ability when they had the chance

## Energetic Cindermen Are Championship Bound

Row 4—R. Salter, T. Claback, E. Gassler, R. Chabak, R. Phillips, F. Mesics, Reese, J. Topfer, R. Hert  
 Row 3—R. Minnich, T. Claback, E. Kleppinger, J. N. Kuntzleman  
 Row 2—R. Gaugher, A. Yoge, Hucaluk, G. Haydt, Roberts, M. Wright, W  
 Row 1—G. Day, Manager, G. Simcoe, J. Miksitz, R. Phillips, F. Mesics

Defending the Lehigh Valley Track League title won by last year's record-breaking cindermen may not be too tough an assignment for this year's edition of the Black and Orange tracksters. Salter set a 20' 4" broad jump record and a 22.2 second 220 record last year. Ben Amato tied a 5' 8" high jump mark. Ed Gassler set a new 440 mark at 55.1 seconds. Ron Chabak established a 2 mile 13.4 second record for the 880.

Coach B. Garret is forced to mold an entirely new team. He has to form a team from newcomers and a few veterans. Prospects are not dim, however. In practice sessions the newcomers appear to be record bound.

In the sprint Charles Kuntzleman appears as the star along with veteran Ed Gassler. Long distance veterans, Frank Mesics and Kermit Waylen will handle the distance runs.

Paul Miller releases a 110 foot discus

Carl Wunderler heaves the shot-put for

Returning to the shotput and discus events are three well seasoned veterans — Carl Wunderler, Paul Miller, and Bob Phillips. Ed Gassler and Ron Gougher are in the broad jump. In the high jump, Herb Guss and Marv Wright are both newcomers. Veteran Jerry Simcoe returns to handle the pole vaulting chores with Walt Hucaluk.

In quest of the league title the Kids began by smothering Whitehall 64-31. Paul Miller broke a shotput record set by Bruce Spangler in 1951 with a heave of 44' 4 1/2".

Next the fast stepping Konkrete Kids outran Parkland 53-28. Charles Kuntzleman took first places in the 100 and 220 to lead the Black and Orange. In

a hair raiser at Palmerton the Kids defeated the Blue Bombers 51-44. The relay, the last event, decided the outcome. The relay team of Kermit Waylen, Frank Marth, Charles Kuntzleman, and Ed Gassler broke a seven year old record with a time of 3 minutes 46 seconds to give the Kids the decision.

The Black and Orange met stiff opposition in Bethlehem but finally outran them 46-44. The Wilson Borough meet gave the fans another scare before the Black and Orange put the Warriors down by a 45 2/3 to 44 1/3 count.

With a fine mixture of newcomers and a few veterans, Coach Garrett has high hopes of finding a league championship at this season's finish line.

## Dynamic Action Sparks The Diamond

Row 5—Managers, John Kochenash, R. Koci, D. Feder, J. Lutte  
 Row 4—Manager J. Marchak, G. Kohler, S. Herschman, L. Brownmiller, F. Miksits, F. Mayorak  
 Row 3—R. Schwechten, W. Beidleman, R. Warner, J. Miksits, M. Lisetski  
 Row 2—R. Fehnel, D. Voge, R. Kuherchuk, S. Eisenreich, S. Kotch, M. Chuss  
 Row 1—Robert Reimer, P. Boilman, C. Hoffman, C. Shimer, C. Kleintop, D. Santo, Ray Reimer

This year's Konkrete Kids of the diamond have a lot to live up to for last year the Kids sported a 11 won, 1 lost record. Only a loss to Allentown kept them from taking District 11 honors. Led by the hard-hitting of Rich Reimer and the steady pitching of Frank Ifkovitz and Cliff Kleintop the Black and Orange took seven league games to cop the Lehigh Valley League title.

Coach Mike Lisetski in his 15th year as head baseball coach has high hopes for this year. Only three men Reimer, Lucky, and Ifkowitz were lost by graduation. Replacing Reimer and Lucky in the outfield, however, poses a problem. Steve Kotch, Steve Eisenreich, and "Spike" Santo are all hustling can-

didates for the outfield posts. The infield remains intact with hard hitting Phil Boilman at first, Ray Reimer, a seasoned-veteran at second, Bob Reimer at short, and at third is smooth-fielding Don Santo. Catching is well taken care of with Charlie Shimer behind the plate. Cliff Kleintop who did the bulk of the pitching last year returns to head the Konkrete Kids mound corps. Also returning is Charlie Hoffman who did some spot pitching last year. "Chubby" Kuherchuk, Frank Miksits and John Schafer are all part of a capable "bench warming" staff. Success should greet the Kids again this year. Evidence was given in the first game, a 16-8 slugfest over Whitehall.

## Last, But Not Least, On Our Calendar

Patsy Stewart, president of Student Council, welcomes Mr. Kermit Gregory who joined our faculty in February

Tri-Hi-Y'er Janet Rossi (center) welcomes Connie Evans, a Bangor senior, who represented Pennsylvania at the International YMCA Conference in Paris, 1955. Mr. Robert Baker, District Executive of YMCA, introduced Connie to us in assembly. We enjoyed Connie's experiences vicariously through her lecture and her beautiful pictures.

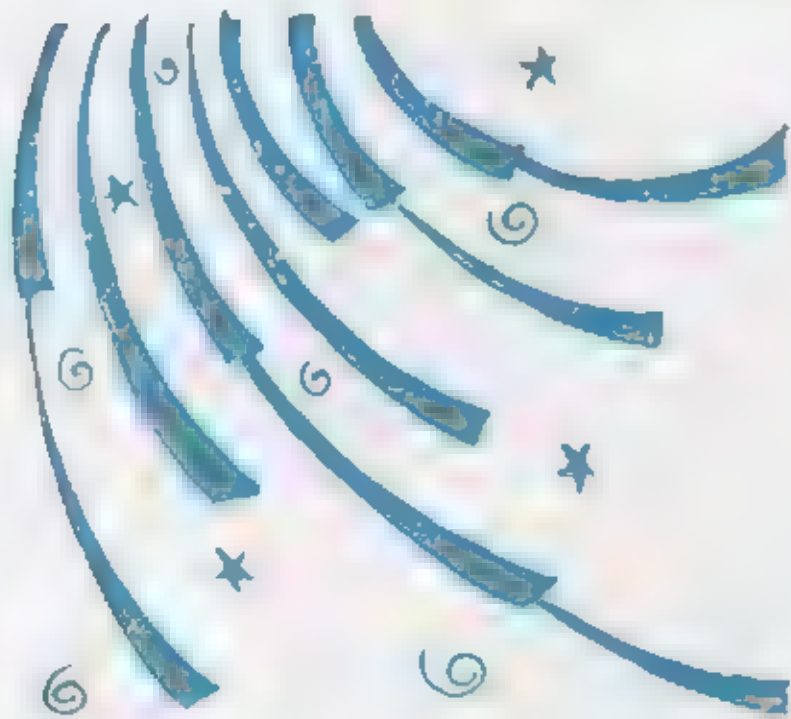

Representatives of the Arthur Murray dance studio give Alan Kuntz their Samba secrets. This special hour program was a favorite with all of us. Now we'd like to be Mambo experts.

A visit to Cub 100 and all a most enjoyable hour in assembly. Mr. Robert Snyder and his Junior Homer team produced a talent we never dreamed could exist within our ivy walls!

## Donators And Patrons

Mr. Harry Reiff signs an Amptennian contract in triplicate which officially lists R&S Printers as friendly donators to the 1956 year book. Frances Grossbauer and Ann Bobbyack, business staffers, look on approvingly. They know that without the friendly cooperation of our education-minded businessmen and patrons there would be no 1956 Amptennian.

## ALMA MATER

Days with her we'll e'er remember,  
Though our lives be long,  
Here's to her whose name we'll ever  
Cherish in our song.

Alma Mater! Alma Mater!  
All our vows renew.  
Hail to thee, Northampton High School  
We will all be true.
